EXQUISITE PARISIAN HAND-MADE

**Needlepoint Bags**

At 29.50 to 75.00

Exquisite needlepoint or petit point work is a rare art in France, and nowhere has it been more artistically developed than in these masterpieces of French handicraft.

The motifs were taken from the historic needlework and tapestries that repose in the renowned museums of France—each unique, in itself—and entirely hand made. Mounted on silver-finish frames that are in thorough accord with the period of the tapestry.

The bag pictured is the "Lady with Unicorns," taken from the tapestry in the Museum of Cluny, Paris. *Street Floor*
