ALEXANDRIA BAY, N. Y., Aug. 6.—Midsummer at the Thousand Islands, instead of bringing heated weather, has brought a delightful breeze and a pleasantly warm sunshine, so that the city man or woman is delighted to bask in the warmth of the sun while fishing, motor-boating or swimming in the St. Lawrence. Quality, Lowest Prices, Make This Furniture Sale an Amazing Success

Many New Arrivals of the Past Week Have Now Been Unpacked and Are Ready for Your Approval.

IF vast assortments of conservative styles of furniture, or superior cabinet work, and marked at lowest prices, as proved by comparison, would meet with the approval of discriminating purchasers, we were satisfied that this Half-yearly Furniture Sale would be among the greatest sales that we have ever held.

THE volume of business of the first week of the Sale has been simply remarkable. Even the rainy days of last week were not sufficient to keep the people away who wanted to buy the good furniture. The reason is plain. There is an eager demand for furniture of quality at right prices. Such furniture is here—great quantities of it—and people recognize that the values have not been equaled in many years.

We were right. But our expectations were more than lived up to.
