

Benny Leonard Has Rocky Kansas Ready for Knockout When Sponge is Pressed in 8th Round

Champion Clearly Outclasses Buffalo Boxer All the Way

Challenger Fails to Gain Honors in Any Round and Does Not Land One Solid Blow on Title Holder; Bone in Loser's Left Arm Is Fractured

MICHIGAN CITY, Ind., July 4 (By The Associated Press).—Benny Leonard, world's champion lightweight fighter, rocked Rocky Kansas all over the ring in the eighth round of their scheduled ten-round titular contest today and the Buffalo challenger's seconds threw in the sponge to save their man from what apparently was going to be the first counting.

The battle will go down in the record books as only a technical knockout for the champion, but it will stick in Rocky Kansas' memory as the most severe beating he ever received.

Blood running from his mouth down his naked chest and tears trickling through the heavy growth on his cheeks, Kansas, held up by his manager, could only moan: "He whipped me; he whipped me; and, oh, how he can hit!"

Following claims by Kansas' friends that a bone in his left arm just above the wrist had been broken in the early part of the fight and that Kansas had fought gamely on for five more rounds with the member practically useless, the fighter was examined to-night by Dr. C. K. Briggs, of Chicago, and Dr. L. Barone, of Buffalo, a member of Kansas' camp. They said the bone was broken.

Dan Rogers, Kansas' manager, asserted he threw the sponge into the ring against Kansas' wishes in order to avoid further injury to his arm.

Kansas seemed to be out on his feet, but it was the disgrace of the sponge that seemed to hurt him most, for in his anger he kicked at the referee, Benny Leonard had ever before sent him to the floor. Leonard failed to do that today, although there seemed little doubt that one more right cross would have put Rocky flat on his back for a long count.

Leonard Always the Master

Leonard, surrounded by the hundreds who rushed to his corner, smiled incessantly after the bout and declared himself well satisfied with the result.

There was no doubt in the minds of more than 20,000 spectators who came to the inaugural battle at Floyd Fitzsimmons' new open air arena that Leonard today not only was Rocky Kansas' master, but that he was just as fast, just as rugged and just as powerful in those terrific rights as the day he won the title from Freddie Welsh years ago.

The champion just toyed with his young opponent, but he was given credit only for standing like a man before the champion's onslaught and for struggling gamely to do what today was impossible—trade blows with Leonard. He did not land a solid blow. He failed to do more than ruff the champion's hair—but he never let up in getting in one of those mule punches which were his specialty, such as Ritchie Mitchell down for the count in one round.

The only time Rocky even got an even break was in the first session. That was an even exchange of boxing, ending with no heavy blow. From then on Leonard increased his speed and superiority round by round, whipping up uppers in semi-circles, which left Kansas looking from side to side as if wondering where they came from.

Mlle. Lenglen Wins Over Miss Ryan in Wimbledon Tourney

WIMBLEDON, July 4 (By The Associated Press).—Mlle. Suzanne Lenglen gave another great display of her tennis ability today in her match with Miss Elizabeth Ryan, of California, in the women's singles of the grass court championships, defeating the American by a score of 6-1, 8-6 and winning her way into the semi-finals.

In the men's singles J. G. Anderson, of the Australian Davis Cup team, defeated his team mate, Pat O'Hara Wood in a long-drawn-out, hard-fought match, 6-3, 6-3, 2-6, 6-4.

The two singles matches were of the ones that could be played today, rain preventing the playing of the others on the schedule. Except possibly for the singles, all hope has been given up of finishing the championship tournament by Saturday.

In the match between Mlle. Lenglen and Miss Ryan, though she got only one game in the first set, the Californian showed far greater standard play than was seen in the Lenglen-Anderson encounter. Mlle. Lenglen, however, never made a mistake and reached the net and scored on Miss Ryan's finest dropshots. Miss Ryan continually used her topstroke with great speed, but the French star's defense was impeccable.

The Californian even improved her speed in the second set and went to 2-1. Then she was gradually overtaken by the brilliant placements of Mlle. Lenglen, who reached 4-3. Through Miss Ryan's great corner shots 4 all was reached.

At 5-all the excitement was at fever heat. Miss Ryan played the most brilliant tennis of her career, but footed faulted twice in the next game and Mlle. Lenglen led, 6-5. Miss Ryan took the next and the Frenchwoman won the thirteenth by a love game of Miss Ryan's service. There followed magnificent drive Mlle. Lenglen won 8-5.

Both were given an ovation as they left the court.

Challenger Is Mystified As Rounds Passed Leonard Began Shooting over his Famous Right Cross, Singing it with Left Hooks which the Challenger Mystified.

As the rounds passed Leonard began shooting over his famous right cross, singing it with left hooks which the challenger mystified. The mystery of Leonard's effective boxing increased with every round and in a seventh he was figuratively throwing gloves at the Buffalo lad.

Kansas repeatedly swung hard, trying especially to land a solid blow. He always danced away, invariably returning with arrow-like blows to Rocky's jaw. Kansas kept shaking his head in the early rounds over his strategy. Once or twice he smacked his forehead always quickly wiped off the sweat with a quick jab.

Then came the eighth. Kansas' mouth was bleeding as he came from his corner and Leonard carefully examined the blood on his hand. Kansas backed, wobbled, wavered and reeled under the blows, his hands at his side, his mind evidently blank. As Leonard carefully examined the blood on his hand, he had been the K. O. blow, the sponge went in, and under its sprinkle of water lay Rocky Kansas' championship hopes, as completely drenched as an ocean of water had swamped them.

Ward Advances in Westchester Tennis By Double Victory

Vanderbilt B. Ward, Franklin T. Osgood and G. B. Smith advanced into the fourth round of the annual Westchester County championship singles tournament, on the clay courts of the county tennis club of Westchester, yesterday afternoon, and took their places in the round before the semi-finals.

Ward first defeated Fred Russell at 6-6, 6-0, and then proceeded to eliminate A. W. Warden at 6-0, 6-3, covering his court well and sticking pretty well in the region of the base line throughout.

Young Osgood gained a splendid victory over John F. Whitbeck of Loomis station, Windsor County, the lad who is being doing so well recently in local tournaments. Osgood had better control of his shots and took the match by a score of 4-6, 6-2, 6-2, with every point keenly contested. Smith won from A. R. Orth by a score of 6-3, 6-6, 6-3, Orth making his best showing in the second set, when he cut off many returns by good volleying.

The summaries:

Men's Westchester County championship singles (first round)—Henry H. Barford defeated W. C. Newell, 6-3, 6-2.

Second round—Stanley A. Manchester defeated Peter H. Smith, 6-3, 6-2.

Ward defeated Fred Russell, 6-6, 6-0.

Arbuckle B. Bowman defeated Coker Clark, 6-3, 6-2.

Ward defeated Osgood, 6-0, 6-2.

Ward defeated Orth, 6-3, 6-6, 6-3.

Ward defeated Smith, 6-3, 6-6, 6-3.

Ward defeated Osgood, 6-0, 6-2.

Ward defeated Orth, 6-3, 6-6, 6-3.

Ward defeated Smith, 6-3, 6-6, 6-3.

E. E. Reed Is High Gun At Maplewood Tourney

MAPLEWOOD, N. H., July 4.—In the first regular day of the Maplewood trap shooting tournament at Maplewood, N. H., the high gun trophy was won by E. E. Reed, New York, who broke 146 out of 150 pigeons.

Class A first trophy was won by Dr. G. H. Martin, New York. Score, 145. Class A second trophy won by S. G. Vance, Tillsburgh, Ont. Score, 145. In the shoot-off Dr. Martin scored 20 and Vance 17.

Of the seventy-two entrants the New Yorkers did well. Ralph Spotts, New York A. C., had a score of 141.

Bill Brennan Proves Too Fast for Martin

Brennan showed considerable speed, while Martin was slow and apparently sitting for a chance to land his fatal left. The fight was Brennan's from the start.

The Scrap at Skokie

Like a will-o'-the-wisp around Skokie the tawny oriflamme of Jock Hutchison will be seen fluttering day by day. Jock, one of the most brilliant golfers that ever lived, has won the British open. But Jock has never won the championship of the United States. He finished second at Minnehaha in 1916. He finished second at Inverness in 1920. Now, having just lost one to Hagen at Sandwich, he hopes to recover another from Barnes at Skokie.

Jock Hutchison

Hutchison, born at St. Andrews, Scotland, thirty-four years ago, but a citizen of this country for fourteen years, is five feet ten in height, weighing 155 pounds. His hands and wrists, however, rival those of Jack Dempsey. They are the greatest physical assets he knows.

Jock is the most nervous of all the ranking stars. But it isn't the nervous ripple that betokens lack of confidence in him. It is all nervous energy that drives him along like a bolt of dynamite. He is the first cousin of dynamite, motion, one of the Seven Bounding Gods, irrefragable, unrestrained. More than any of the others, he is a golfer of moods, and Chicago will be the most brilliant of all at his best is the most brilliant of all.

One of his strongest qualities is the terrific amount of backspin he can put upon a pitch in the pin, and when this shot is working there is nothing can stop him. He seems to hit through with his hands slightly ahead of the club head, with more of a body pivot than most golfers use. When the ball strikes the green it frequently hops backward from the terrific spin imparted by the club.

Jock will be a vital factor at Skokie—make no mistake about that. He knows the course, and Chicago will be with him. He is a good, game fighter—and he is about due.

Jock's unusual stands with the left foot slightly back of the right and he has a unique knack of letting his head come back with the back swing of the club, and then coming forward on the down stroke. He is not an immense hitter, but he is long enough—and when he happens to have the touch his putting borders upon the uncanny class. He isn't quite as steady around the green as Hagen or Barnes—but more likely to start dropping the 15 and 20 footers when the spell is on.

His great ambition has been to win the open championship of the United States, and he may be even now upon the rim of his greatest week. No man in golf carries more magnetism or has a greater appeal for the applauding galleries that follow him around the course.

After winning the British open last year he had a big slump at Columbia, but his crownless, tawny head-to-day is no longer harassed by the pressure of care. If he happens to be right—and he generally is—his smoke will fill the Skokie valleys.

Wilson Scores K. O. Over Al Demaris In Fourth Round

RUTLAND, Vt., July 4.—Johnny Wilson, of Boston, middleweight champion, knocked out Al Demaris, of Indianapolis, in the fourth round of a scheduled eighth-round no decision bout here today.

Almost as soon as the bell sounded for the fourth Wilson rushed his opponent to the ropes and Demaris went to the mat after he received three stiff punches to the face. On the count of six he was in fighting position again and the crowd cheered him for his gameness, but he had not sufficient strength to take any more punishment and was soon felled for the count.

Every round was characterized by much clinching, which brought demands from the crowd for straight fighting. Wilson attacked the wind of his opponent early in the contest with a scheduled eighth-round no decision bout here today.

All-Bermuda Is Cricket Victor Over Grenada

Following up their success against the Intropics in the New York Cricket League the All-Bermuda Cricket Club yesterday defeated the Grenada C. C. eleven by two runs, with six wickets to spare, at Van Cortlandt Park.

The first of the Grenada were all out for 62. S. Simpson alone making any real stand against the bowling of G. Butterfield, who captured seven wickets for 29 runs.

Paul Costello Breaks World's Record in Single Sculls Race

PHILADELPHIA, July 4.—Paul Costello, of the Vesper Boat Club, Philadelphia, established a new world's record today in winning the senior single sculls race, the feature of the Independence Day regatta, over the mile and a quarter straightaway course in the Schuylkill River.

His time, 7 minutes 41.5 seconds, was 19.4 seconds faster than that of Walter Hoover, of Duluth, who recently won the Philadelphia Gold Challenge Cup over the same course, beating Costello, who finished second by three lengths. Hoover's time, 7:24, was credited as a world's record.

Conditions today were favorable for fast time, although experts said they were no more so than those prevailed during the challenge cup race. The river was high from recent rains and the current was comparatively swift.

Four scullers started in the senior singles, W. E. Garrett Gilmore, of the Bachelor Barge Club, Philadelphia, finishing second, one and a half lengths behind Costello; Thomas J. Rodney, of the Undine Barge Club, also of this city, third, and Henry Heller, of the Lone Star B. C., New York, fourth.

Philadelphia oarsmen won fourteen of the twenty races. New York crews won three, Washington canoe clubs two and the New Rochelle (N. Y.) B. C. one.

One of the surprises was the victory of the West Philadelphia Boat Club, which beat out the Union B. C., of New York, in the senior eight-oared shell event after a hard battle. This crew consisted of a majority of the Columbia varsity eight.

The New York Athletic Club's intermediate eight-oared shell crew won by a row-over the Bachelor Barge Club, of this city, its only opponent, having had several ineligible men in its boat.

Jimmy Murphy Is Victor in 250-Mile Tacoma Auto Grind

TACOMA, Wash., July 4.—Jimmy Murphy, sensational automobile race driver, added to his laurels here today by winning the eleventh annual speed way classic. Murphy covered the 250 miles at the rate of 97.8 miles an hour. Tommy Milton took second place after leading Murphy nearly all the way.

Milton went into second place at the 226th mile, when he was forced to into the pits and change a tire. He was unable thereafter to regain the lead. Roscoe Saries took third place with Jerry Wanderlich fourth and Harry Hartz fifth.

Murphy's time for the 250 miles was 2:38:55.3-5, while Milton was less than six seconds behind him.

The 27.5 miles on hour speed made by Murphy broke the track record of 250-mile races. The previous record was made by Milton last year and was 96.4 miles per hour.

On the sixty-ninth lap of the race on the sixtieth mile when his car developed a broken axle on the back stretch. Milton's average time for the miles was 99 miles an hour.

Among the leading vital statistics of the year it might be mentioned that in the last Southern championship Bob Jones played 123 consecutive holes in ten strokes over par—an average of 71 for seven rounds, over a well trapped course 6,550 yards long. Those looking for new targets can shoot at this one for a spell.

Miss Sybil Bauer Creates Four World's Records at Brighton

Chicago Mermaid Lowers Marks for 50 Yards, 200 Yards, 200 Meters and 220 Yards for a 75-Foot Pool; Miss Aileen Riggan Also Sets Record

One American swimming and four world's records for women were chalked up at a water carnival in the 70-foot pool of the Brighton Beach Bath yesterday afternoon. Miss Sybil Bauer, the back-stroke marvel of the Illinois A. C., of Chicago, contributed the international marks in two invitation races at 50 and 220 yards.

Miss Bauer won the dash in 34.2-5 seconds, or four-fifths of a second under her own world's record. In the furlong event she passed 200 yards in 2 minutes 51.4-5 seconds and 200 meters (218.4 yards) in 3 minutes 6.4-5 seconds, then crossed the line on a head finish in 3 minutes 7.4-5 seconds, all universal standards.

While, in fact, no world's records ever have been registered officially for women at the three distances, the times are amazingly fast and by long odds the best yet claimed unofficially under any conditions.

An idea of their excellence may be formed by considering that Miss Bauer's figures for 220 yards are within 7.4-5 seconds of the men's national backstroke record, made under more favorable circumstances, and that there is a difference of 32 seconds between the men's and women's American standards for the same distance free stroke.

Miss Bauer captured the sprint by nearly three yards from her nearest opponent, Miss Aileen Riggan, of the New York Women's S. A., who secured the place for four in the national championship at Brighton recently. Miss Becker received 91.45 points. A twelve-year-old girl, Miss Kathryn Brown, was third with 85.95 points.

A 100-yard handicap swim for members of the New York Women's S. A. went to Miss Lillian Stoddard, junior national 880-yard champion, in the actual time of 1 minute 15.3-5 seconds.

Miss Riggan also distinguished herself in free style swimming. Competing in a 300-yard invitation handicap, in which she gave a start of five seconds to Miss Ethel Baker, junior national champion at 220 yards, she finished first by four yards in minutes 2.5 seconds.

Outdoor clothes cover a wider field. So be as brisk as you like! See our mot-folks with knickers.

Plainish colors, quiet mixtures, unnoticeable stripes and indistinct overplaid predominate at the "four corners" because they're always good style—and never "common".

Summer suits in Summer fabrics for men and boys. Prices moderate.
