**Warm Weather Frocks**

FOR WOMEN

That possess the happy faculty of keeping one cool and smart

At 18.75

Frocks of Canton Crepe and Crepe de Chine that may be worn from now on into the Fall—thoroughly French in conception. They display the new drape that extends from shoulder to hem, caught at the waist with a narrow belt of self material rosettes. In navy, black and gray.

At 9.75

Dark Voile Frocks that give service without showing it. One model is of Normandy voile, in polka-dot pattern, with side pleats, its collar and cuffs edged with organdie. Brown and navy. The other is dotted voile, with pleated tunic in back and front, edged with plain voile of contrasting color. In navy, black and brown.
