

THE GREAT CONSPIRACY.

JACOB THOMPSON'S STORY OF THE PLOT AS HATCHED IN CANADA. The Sons of Liberty Party...

LOUISVILLE, Jan. 1.—The January number of the Southern Bi-weekly will contain a second paper on "The Northwestern Conspiracy." The writer devotes much space to a narrative of the efforts made by Jacob Thompson...

There were some 100 members on the part of the association, the writer says, had no personal sympathy with the Confederates at all. They desired that war should cease; they did not believe in the constitutional right of secession, and thought it unwise and harsh, but they deprecated secession.

Thompson and his fellow Commissioners endeavored in every way possible to foster the idea of a Northwestern Confederacy, to act in concert with the Southern. The writer denies that Jeff Davis was a member of the order or had anything to do with drawing up its constitution...

Upon the maintenance of the sovereignty of the States depends the preservation of civil and personal liberty. The Emperor may be elected in a convention of delegates elected by the people of a State...

At this time Vallandigham introduced to Thompson a prominent official of the order, the Adjutant-General, thoroughly endorsing his reliability and energy.

AN ENGAGEMENT DECLARED OFF. Why the great struggle should be declared off is a matter which is being discussed in the press.

SYMPATHY FOR MRS. LOGAN.

MANY HEARTS GO OUT TO HER IN HER GREAT BEREAVEMENT. The accompanying handsome picture gives a good idea of how the tower to be erected at the entrance to the grounds of the Paris Exposition...

WASHINGTON, Jan. 1.—Indescribably tender are the sentiments which have come to Mrs. Logan in these first hours of her widowhood, and which are still coming in notes and letters from personal friends of her husband...

EXECUTIVE MARRIAGE, WASHINGTON, Dec. 26, 1862. My dear Mrs. Logan: We are greatly shocked to hear of the terrible trial which has come to you so suddenly...

DEAR MRS. LOGAN: I have just received your kind letter of the 24th inst. and am glad to hear that you are well and happy. I am sure that you will find many sympathizers in the nation...

JERRY IS OUT OF POLITICS.

THE HOTEL WAS ON FIRE. CHICAGO, Jan. 1.—The thirty guests who sat down to dinner in the Hotel Laclede this afternoon had a startling experience...

For a minute after I heard, he said afterwards, that he had not seen the fire until it was too late to do anything. He was sitting at the table, and he had just finished his dinner...

Mr. Hartigan and the Italians went into Dan Maloney's. They were there for some time, and they were very much amused by the antics of the firemen...

SHOT DOWN A GIRL OF 16.

SEVEN-YEAR-OLD THUNDER-BURST. A six-year-old thunder-burst last night by Joe Bensen, an Italian stoker, who works in Newberry. Bensen escaped, and his victim was taken to Chambers Street Hospital in a critical condition.

Mr. Bensen and her two daughters, Mrs. Lotens and Adelaide, kept on their way in their rooms on the second floor of the tenement at 198 South street, near Oliver. Mr. Rogers, who is a cook on the river when he has work, was also there. A table was spread in the front room, and there was slumber to drink.

Mr. Lotens was standing with Bensen at the time, and he immediately turned back and went off by the passage. In a moment five shots were heard in rapid succession. Bensen had met the little girl in the hallway, which was entirely without light, and had emptied his pistol at her head.

At Park and Mulberry streets, about 8 o'clock last night, Policeman Wimmer of the Elizabeth street station heard a pistol shot in a saloon, the rear yard of which he had cleared of a lot of fighting Italians about an hour before. He hurried along Mulberry street in time to collar a thick-set man, with a heavy dark mustache, who was running at 40 with a pistol in his hand. He was taken away just before the policeman caught him.
