TRADE MARK THE BEST MADE

GRATEFUL-COMFORTING. EPPS'S COCOA. BREAKFAST.

Covered by a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which will save us many heavy doctors' bills. It is by the judicious use of this article of diet that a constitution may be gradually built up until strength is reached where there is a weak point. Many people imagine that a laxative is needed around breakfast, but the fact is that by keeping ourselves well clothed with pure blood and a properly nourished brain, we can avoid the use of any such medicine. Made simply with boiling water or milk. Sold only in lead-lined tins by grocers, labeled thus: JAMES EPPS & CO., London, England.
