Grand Easter Display of Dry Goods,

Representing the latest productions of all the Fashion centres of the world.

Paris Costumes.

Grand Opening in Ladies' Underwear Dep't.

MONDAY AND TUESDAY, March 22 and 27.

We shall have our Grand Spring Opening of Tea Gowns, Matinees, Fine Underwear, and Infants' Wear, representing the choicest productions of the European and home markets.

During the past year the Tea Gown has become such an essential addition to a lady's wardrobe that it is now the correct thing to wear for quiet home affairs, card parties, &c. Such a pretty effect can be given to the complexion and figure from a becoming combination of colors and trimmings, for which there is so much more scope in these garments than in an ordinary costume. Ladies will find the time well spent in inspecting our immense display on the days named.

In addition to our display of novelties, we shall also offer attractions in fine goods for
