We take great pleasure in announcing the marked success which has attended our most recent effort to please our patrons. In becoming the New York agents for the most prominent manufacturers of the West and East and adding their productions to the extensive and advanced styles of our own make we unquestionably—and it is admitted—display the grandest collection of high-class, medium and low-priced furniture ever shown, we believe, in this country. Our line of Parlor, Chamber and Dining-room Suites are so numerous as to be almost bewildering, among which may be seen the very latest and best of the designer's art and at prices ALL MARKED IN PLAIN FIGURES, which invariably create surprise and remark.

Our Carpet and Upholstery Departments also contain everything that is new and desirable at equally low figures.
