Furs and Sealskins

Notwithstanding the prices of sealskins have been largely advanced, having a previous stock of manufactured Seal-skin garments on hand, embracing all of the leading styles in Jackets, Reefers, Wraps, Sacques, New markets, Paletots, and Shoulder Capes, I will continue to sell my entire stock of manufactured articles at the same low prices quoted last week. \$25 to \$50 can be saved on the price of Seal Shoulder Capes and Jackets; \$50 on the price of Sealskin Sacques; \$75 to \$125 on the price of Sealskin New markets. These goods were manufactured from seals secured before the great advance, and are offered from \$25 to \$125 less than can be manufactured from seals now arriving from London. Parties desiring Seal-skin garments manufactured to order from Sealskins now arriving will be charged the regular market price. Special bargains in Fur Shoulder Capes, embracing the newest styles in Russian and Hudson Bay Sable, Mink, Persian Lamb, Astrachan, Krimmer, Beaver, Alaska Sable, Lynx, Monkey, and Wool Seal; in fact, all the fashionable furs. \$5 to \$25 can be saved if purchased this week. Special bargains in Mink-lined Circulars, Gentlemen's Fur-lined Overcoats, large stock of Furs, Lap Robes, Caps, Gloves, Muffs, and Furs of every description will be offered until the entire stock of manufac-

tured goods is disposed of. Furs retailed at both stores.
