The Wanamaker Store. A Forty Dollar Bicycle for \$16

If this were not the Wanamaker Store, with a dozen years of a good bicycle reputation behind it, you would be justified in looking askance at that headline.

But this is the Wanamaker Store, and it is living up to the very best of its bicycle reputation in making this announcement. We offer you at \$16 a thoroughly good wheel, of a known and tried make, in an up-to-date 1899 model.

The name-plate on this wheel is our own. We call it, for our selling, "The Road Flyer." The real name of the wheel you must guess, and experienced riders will probably guess right. It is a wheel selling the country over to-day at \$40, and one intended to compete with \$50 standards.

Altogether, we have 2,500 of these wheels. We start this morning with only a few hundred, —about enough to last the day through. There will be more in on Monday.

Among the 2,500 are a few hundred taken, as a part of the transaction, in the 1898 model of the same make. Scarcely any difference, but we cut a dollar off the price on these.

Everything about these wheels is good. They are equipped with tires that retail at \$6 a pair. The finish is excellent; the design all that you could wish. Best materials throughout.

FRAME—Best quality 1 1/2 in. Shelby tubing; flush joints, fully reinforced. HEIGHT—Men's, 22 and 24 in.; women's, 20 and 22 in. FORK—Flat fork, sides tapered, double reinforced.

WHEELS—28-in.; Excelsior Needle Company's swaged piano wire spokes, nickelled over copper; 32 front and rear; dust-proof hubs from solid stock. RIMS—Lobdell's best second growth stock; striped; piano finish.

AXLES—Lath-turned from special axle steel. BEARINGS—Sanderson tool steel, oil tempered; ground and polished to gauge; thoroughly dust-proof. SPROCKETS—Latest pattern, detachable front and rear; front 19, 20, 21, 24 and 26 teeth; rear 8, 9 and 10 teeth.

CRANKS—Finest quality, drop forged spring steel, 1 piece, round; 7-in. throw; pedals screw into crank, right and left threads. CHAIN—Best grade Indianapolis diamond; 3-16 in.

PEDALS—Either rat-trap or rubber; rat-trap furnished unless otherwise ordered. TREAD—4 1/2 in. outside measurement; crank hanger dropped 2 1/2 inches. HANDLE BARS—Adjustable and reversible; raised, dropped, ram's horn or extra wide; our own special adjustment device.

SADDLE POST—T or L as ordered; internal expansion clamp. SADDLE—Gilliam, Cutting or Brown style. FINISH—Burnished enamel in black, Brewster, green. TIRES—Peoria single tube, smooth double tread. GEARS—63 to 81. WEIGHT—24 to 25 pounds. TOOL BAG—Of fine leather, containing outfit, best tools, and repair kit.

And the '98 are practically the same—with a 2 1/2-in. drop—the '99 have a 2 3/8-in. drop.

More evidences of good hosiery buying, given by good hosiery selling. All these are extra values. No half prices, of course,—hosiery prices are very close,—but better grades for the money than are given every day.

FOR MEN. \$1.00—Excellent qualities of black cotton half hose in two weights; also black with unbleached feet or "split soles." The every day price is 25c a pair. 25c a pair—of cotton, in a variety of stripes, side cloth and embroidered fronts; a splendid collection of choice color combinations.

FOR WOMEN. 25c a pair—Cotton stockings; fast black, with lavender spotted sides of "Lingerie" cotton that looks like silk. 30c a pair would be a reasonable price. 30c a pair, 3 pairs for \$1—Several styles in light "thread," black in plain, Richelieu and Hembrandt. The leather and bronze shades in plain and Hembrandt ribs; bronze in Richelieu ribs.

FOR CHILDREN. Narrow ribbed cotton stockings in assorted tans or fast black; soft fine double yarn; double knees, heels and toes, sizes 4 1/2, 5, 5 1/2, 6, 6 1/2, 7, 7 1/2, 8, 8 1/2, 9, 9 1/2, 10, 10 1/2, 11, 11 1/2, 12.

A splendid new line Jewelry to the already excellent assortment. In the recent addition are link cuff buttons, dumb-bell shape, at \$3 pair, and waist buttons at \$5.75 a set. Good styles and good values, both of these, as are many others in the stock.

Women's Belts. We can help you to make a choice with a showing of nearly every desirable kind of belt made. Many new styles in the showing,—styles you are going to like. Pleased to show them to you.

A Sale of Sterling Silver. We have just bought a lot of these at less than half value. That's the way they're to be sold. All these are of sterling silver, in attractive designs, mostly for 2-inch belts. No belt in the offering is less than a regular \$3 value—many would sell ordinarily at higher figures. Choice at \$1.50. Broadway and Tenth street.

The Wanamaker Bottled especially for us and under our own rigid requirements. Absolutely pure grape juice, just as it was pressed from the grapes, without a touch of adulterant nor a trace of fermentation. Sterilized before bottling to prevent fermentation. It will "keep" as long as you keep bottle unopened, and for 24 hours afterward.

Try it in the Grape Juice Inn, next Candy Store. Quarts, 50c.; \$5 a dozen. Pints, 25c.; \$2.75 a dozen. Half Pints, 15c.; \$1.75 a dozen.

Women's Tailored Suits

They are not Wanamaker suits unless they are a little "different." And they are not Wanamaker suits unless they are a little better. These are two characteristics that we maintain throughout. Nothing of the commonplace, either in style or value.
