IRREPROACHABLE. Sometimes it is difficult to know what to give the children as a tit-bit or what to take, when starting for a journey, a picnic, or a spin on the wheel. But if you choose Van Houten's Eating Chocolate you know that you have a wholesome snack of splendid flavor. The irreproachable composition, and nutritive, highly digestible ingredients, render Van Houten's Chocolate preferable to the cheap chocolates and confectioneries (which are often of very questionable composition), while it far exceeds all similar products in the delicious cocoa flavor. Sold in Tins of Croquettes and Tins of Drops. Also in Square Tablets and Small Bars.
