S·H·&M

REGISTERED TRADE MARK
SKIRT BINDINGS

S. H. & M. Bias Velveteen or Corduroy Skirt Bindings are the only proper and satisfactory bindings for the prevailing styles in skirts, and are used exclusively by the most correctly dressed women.

THEY DO NOT INJURE THE SHOE, which is a serious fault of the old-fashioned braids.

When the edge of your skirt shows, as it frequently must, you naturally wish it to show a smooth, elegant, perfectly fitting binding.

No bindings fit so well, wear so well or look so well as the S. H. & M.

The genuine has the registered trade-mark S. H. & M. on the back of every yard or on the label. In the best ready-made skirts a woven label shows that S. H. & M. Binding is used.

SIMPSON, CRAWFORD & SIMPSON

Survival of the Fittest.

The items making up this advertisement were weighed and tested by every possible standard before publication. The essentials are combined—guaranteed fashion—highest quality—smaller prices than were ever associated with goods of such perfect character.

THOUSANDS AND THOUSANDS OF YARDS SACRIFICED IN SILKS. NEWEST AND BEST GOODS.
Rich Colored Taffetas, our own regular qualities, always retained at that figure and always worth it, include every new design now offered for the first and probably last time at **45c**
Balance of Corded Fabular Wash Silks, that are made, to be sold Monday at the same prices such goods ever reached; until all are gone **25c**

More of the 50c. All-Wool Challies, That Sold So Remarkably, at **25c.**

No imperfections, no drawbacks—colors, styles and quality are equal; if anything these last 150 pieces surpass the first lot, and, try as we may, no more can be bought. 7,500 yards make up this second installment and hold up the sale. Dark and light grounds, dot and figured designs, half saved goods that any one would gladly hurry for at full price.

New Fresh Lot of Nottingham Lace 39c. All-Overs, Extra Special at **39c.**

Include Cluny, Point de Paris and Imitation Renaissance, goods that are bound to be important factors in the coming season. Here in white, extra fine butter—a score of splendid styles—fresh, unhandled 20-inch All-Overs, whose value runs far ahead of to-morrow's inordinately low price.

Our \$10.50 Golf Capes **7.50**
Close competitors of the usual \$11.50 garments, sold and resold time and again here at \$10.50. A final close-out begins of the remaining hundred or so. Very long, very full caps, uncommonly well-tailored; stitched straps, fine finish. Made of handsome plain cloth, plaid back—altogether a surprising **7.50** value at.....

\$115.00 Persian Coats, chinchilla trimmed, **87.50**
You have read advertisements that priced these \$117.50 and \$120.00—with just claim to be "special." A Leipzig dye, choice Persian garment, collars and revers of finest chinchilla, heavy brocade satin lined. Wish we had three times the lot—they would prove too few, then.

25c. Lace Striped Lawns at 17c.
So far as we can see this sort of cotton fabric will be chief favorite; later lots will all bring 25c. yard, if not higher. Because we took 15,000 yards at a drive, we over-rode the price market. The best designs and colorings came here at two-thirds of proper cost. We very much doubt if equal variety can be seen to-day on 25c. counters, for we give newest printings on white and colored grounds—pastel and solid shades—fabrics newest of the new, delightfully attractive and desirable.

BEST EXAMPLES OF PRESENT SILK WAIST FASHIONS, ABSURDLY UNDER USUAL PRICES.
In Taffeta—Neatest, newest tucked front and back designs; fine hemstitchings, strapped yokes, model sleeves and collars **3.75**—black and all shades.....
In Taffeta and Peau de Soie—The elaboration and effects of most \$8.50 garments; tucks in clusters and unique applications, pastel and deeper colors, modified Paquin sleeves **4.75**

Novelty Albatross Waists, 3.50.
Very Parisian-looking, almost covered with tiny pleats, daintily stitched in black. Clusters of small pearl buttons show on fronts and cuffs—the whole effect wonderfully smart. Black, Nile, tan, rose, red and navy.

Women's Excellent Gloves, 75c.
Full pique, 2-clasp, beautifully embroidered on fine dogskin. To find such reliability without coarseness is unusual. Tans, modes, reds, grays and black. Not likely to last over Monday.

\$1.00 and \$1.50 Flower Montures, 78c.
Mostly the fashionable rose-clusters that grow in demand every day. Extremely desirable additions to new Hat Shapes.

Men's Imported Lisle 1/2 Hose, 25c.
Or 6 pairs for \$1.38. Stripes on fast black, slate, navy, cadet, tan and cardinal grounds, the proper Spring style; sizes 9 1/2 to 11. Commonly sell at 35c.
