Our Soda Fountain IS SIMPLY MAGNIFICENT!

To see it is to admire it. And for that reason we want everybody to see it—to admire it. It is a triumph of the manufacturer's skill, being made of the finest onyx—at once massive, imposing and exquisitely finished. The triplicates mirrors and rich finishings give this fountain a stamp possessed by no other. It is easily in a class by itself, and from the standpoint of appearance alone is winning any amount of praise. From the standpoint of utility it is simply unsurpassed. Sixty different kinds of syrups can be drawn from it, and every one pure, cool and wholesome, as every drop of water is filtered, every ounce of fruit is pure and fresh, and all sodas are generated in our own laboratory.

Drop in and try a glass of Ice Cream or Pure Fruit Syrup Soda—the price is low enough—only **5c**
Ices and Ice Creams

Under the latest and most popular conceptions, such as MORNING TRILLIES, BROADWAY SUNDAYS, BISQUE GLACES, TUTTI FRUTTI GLACES, CHERRY GLACES, etc., are served at small tables in our Candy Department or at the Soda Fountain, and the price per portion, instead of being 25c and 35c, is only **10c**

The Greatest Sale of STORE SOILED SILK WAISTS Ever Inaugurated.

One of the banes of rebuilding is dust. It respects nothing. The finest waists are equally exposed to its ravages with the less expensive sorts.

This is the State of Affairs We Face in the Stocks of Silk Waists Still Left.

Some soils are trivial—a speck or two. Some have suffered more. But whatever the soil, whatever the value, we begin

"Gibson's" Art

sheds new beauty on Pillow Tops. It is a striking departure. On canvas or in the pages of "Life" the disdainful American Beauty won hosts of admirers the world over. Now her charms are perpetuated and spread broadcast. The dozen or thirteen subjects that decorate these Pillow Tops will be lasting memorials of a national cult, once you embroider their well defined outlines **50c**

Picture Pillows

must be up to date to have any particular value. The newspapers of England and America resurrected an almost forgotten painting—Gainsborough's Duchess of Devonshire has filled the public prints, revived an obsolete hat style and incidentally found its way into our Pillow Top Collection. A faithful literal reproduction is here (ready to embroider) at **50c**

In woven Madras—to be worn without a coat if desired. (Shirt Dept.) **1.25**
