The Forward Reduction Company.

27 William Street, New York. Beaumont, Texas. Williamson Building, Cleveland, Ohio. Lake Charles, Louisiana.

CAPITAL STOCK, \$5,000,000. 500,000 Shares, Par Value \$10 a share. \$2,600,000 of the Capital is in the Treasury for Treasury Purposes.

Owner of all the stock of the Forward Oil Producing Company, the Forward Refining Company and the Forward Pipe Line Company.

President, CHAUNCEY B. FORWARD, Cleveland, Ohio. Vice-President, EDWARD L. BUCHWALTER, Springfield, Ohio. Secretary and Treasurer, L. V. DENNIS, Cleveland, Ohio.

DR. CHAUNCEY B. FORWARD, President, Cleveland, Ohio. WALTER S. LOGAN, Secretary, New York. EDWARD L. BUCHWALTER, Vice-President, Springfield, Ohio.

General Counsel: WALTER S. LOGAN, 27 William St., New York.

The FORWARD REDUCTION COMPANY is, in its own name and through its subsidiary companies above named, the owner of

1. Dr. Chauncey B. Forward's process for refining crude petroleum and the patents relating to and covering the same.

This system is particularly applicable to the refining of the heavy oils recently discovered, of Louisiana, Texas and Oklahoma. Dr. Forward is a chemist and his process is chemical, instead of the mechanical processes heretofore employed.

A refinery to be established on the water near the Texas and Louisiana oil fields, and capable of treating twenty-five hundred barrels of crude oil a day, is in process of construction and will be in operation some time during the present year.

Several thousand acres of these lands we own in fee simple, but on most of them we have the usual oil lease which gives us the right to the oil and minerals on the property, subject to a payment to the owner of one-eighth or one-tenth royalty.

In Jefferson county, Texas, and Calcasieu Parish, Louisiana—which includes the leading oil districts of their respective States—we have larger holdings than any other oil company. The lands were selected by Dr. Forward, or under his immediate supervision. Those who know the man will believe they are well selected.

The stock of the FORWARD REDUCTION COMPANY is a particularly conservative investment for the following reasons:

1. The actual property rights of the company are of greater cash value than its total capitalization—five million dollars.

2. More than half of the stock is still in the Treasury for Treasury purposes, after all these lands have been acquired.

3. We expect that the profits of the refining part of the company's business alone—leaving out of account altogether the company's investment in oil lands—will pay substantial dividends upon the capital stock.

4. A limited amount of the stock of the FORWARD REDUCTION COMPANY is offered for sale at par—\$10 a share. When this is exhausted, no more can be had except at an advanced price.

Checks should be made to the order of Walter S. Logan, Attorney, and forwarded to him at his office, No. 27 William Street, New York.

NATIONAL BANKS are necessarily conservative and cautious in their utterances. Send for our prospectus and read what the Beaumont National Bank says of this company, its officers and directors.

Read the guarantee given by these officers and directors, obligating themselves to bring in for our stockholders one or more guineas for every share of stock they have based on the Standard Oil Company's plan to purchase land on the Spindletop Heights to accomplish it.

Such a guarantee has never before been made by any company. Such a guarantee seems unreasonable until the high standing and character of the officers and directors are taken into consideration. But men of such

note and reputation as those who compose our directorate, and who are so fully conversant with the oil business, would not give their names to a public and to the world, if they were not fully satisfied that the company would be able to pay for the stock they have based on the Standard Oil Company's plan to purchase land on the Spindletop Heights to accomplish it.

Stock now selling at 30¢ A SHARE will soon be advanced. ACT QUICKLY. No certificate issued for less than fifty (50) shares. All stock full paid and non-assessable. Make all checks, drafts and money orders payable to order of HUNTLEY OIL & REFINING CO., 200 Threadneedle Court, Beaumont, Texas. No. 8 Exchange Place, Boston, Mass.
