

**Maybe you think it's just the selling of shoe dressing we care about?**

We sell Regal Dressing for the sake of Regal Shoes—and we're satisfied if we come out even.

Regals are the most popular shoes in the world. They are the best shoes, irrespective of price. The reputation of Regal Shoes is worth more than the factory and all the stores and we want to preserve that reputation by preserving the leather in the shoes.

Regal Shoe Dressing is the result of careful study of the nature and needs of leather. It keeps the leather new and alive. It gives a hard, clear, clean, lasting polish.

find faithful reproduction in a great number of pieces that we have modeled after the furniture of "Ye Olden Time." The "Independence" Table for the living room and study—the "Windsor" Chair with its strong suggestion of deep-seated comfort—the "Hepplewhite" Cozy Sofa with claw and ball foot—and the "Washington" Desk are mentioned as a few of the prominent pieces that are strongly reminiscent of our early Revolutionary history.

THE making of ready to wear lively is a very important feature of our business. It is rapidly becoming recognized by those who do their own thinking that much that comes from custom tailors will not compare with ours in fit. You can pay much more elsewhere, but no better materials can be had at any price. Undress Lively in Oxford, Silver Gray and Tan, Dress Lively in Blue, Green, Maroon and Black ready for immediate delivery—absolutely correct in detail. Catalogue on request.

If you knew to what an exact mathematical science we have reduced the fit question you would understand why we are taking trade away from custom tailors.

Not a few clubmen are wearing garments that bear our label.

We wish we might print a few selected names.

But we are at liberty to show you how we suit them and Overcoat them.

Slip into one of our better Suits or Overcoats—say \$25, \$30 or \$35. You'll understand.
