Varity Boat Will Get Advantage From the Rth-Practice Row.

POUGHKEEPSIE, N. Y., June 29.

Although the stewards were supposed to have made corrections as nearly as possible on the day when they declared that changes would be made in the course for the boat races a new cause of objection has arisen.

THE RACE FOR THE VARIETY BOAT.

The race for the variety eight is supposed to be rowed as nearly as possible on the ebb tide, so that all the crews can get the advantage of it.

THE TROUBLE ARISES BECAUSE THE STEWARDS IN FIXING THE TIMES FOR THE RACES HAVE LOOKED UP UNFAVORABLE CONDITIONS.

But for the main event of the day the tide will be ebbing along the shore, it is well known that there is about an hour's difference between the conditions in midstream and on the shore up here for any kind of tide.

THE FLEET WILL NOT BE STARTER IN THE SUBURBAN RACE.

The fleet will not be started in the Suburban race tomorrow, as the tide is so low that the boats will not be able to get up the river.
