**\$25,000 Worth of Lace, Lawn and Linen Robes To Be Sacrificed for \$10,000**

**A Sale Unparalleled in the History of Merchandising**

We have had many large sales of Robes, but nothing to compare with that which we now advertise. All previous values are eclipsed. All previous assortments are cast into the shade, in comparison with what we now offer in Monday's sale. You ask how this is—we will tell you—

The large European makers of Robes are obliged to have numerous sample lines to show their customers in the great cities of Europe. These samples aggregate hundreds upon hundreds. Months ago we made arrangements with the manufacturers to ship to us their entire sample line of Robes. We own them for less than half, and many at one-third their actual value, and offer them at the same saving to you.

Remember—these Robes are samples and can never be duplicated either in style or price.

We shall start this sale to-morrow with increased space and extra salespeople, in the Lace Section, Main Aisle. We would suggest to our patrons an early selection, as there are in many instances only one of a kind.

White Lace Robes.	Lawn Robes.	Fibre Robes.
Cream Lace Robes.	Batiste Robes.	Novelty Net Robes.
Black Lace Robes.	Lycet Robes.	Princess Lace Robes.
