

THE HOFFMAN BROS. BUY A PART OF THE ADAMS STORE SITE.

Samuel G. Hess Purchases Two Dwellings in Twenty-second Street West of Broadway—A Development Company Buys 75 Lots in the Benson Estate.

The brokerage branch of the market was fairly active yesterday, although no transactions of special importance were made public.

It is evident from current brokerage reports that the suburban movement will be much more extensive this spring than it was a year ago.

By way of illustration, it may be noted that around Stamford, Conn., about as much land has changed hands in the last six weeks as was transferred during the same number of months in 1908.

SIXTH AVENUE—Dennis & Preston have sold to C. P. and W. M. V. Hoffman Nos. 345 and 347 Sixth Avenue, two lots on the west side of Sixth Avenue between Twenty-second and Twenty-third streets.
