Men's Dollar Shirts Beyond Compare

We have a proud array of Men's Summer Shirts at one dollar this Spring. We know what merchandise battles we had to fight to get manufacturers to meet our specifications, in making them. We were rather curious to know how they compared with other dollar-shirts on the market. So we bought a collection for comparison. Now we KNOW that Wanamaker Dollar Shirts have no rival at that figure.

The only shirts that stood the comparison at all were bought for \$1.50 each, in two stores of high repute. But neither of these \$1.50 shirts was one iota better than the Wanamaker Dollar Shirts; and none of the shirts bought elsewhere at a dollar, or thereabouts, could be compared with ours at all.

We can't show you the shirts we bought; but you can easily make the comparison for yourself, by looking elsewhere, and then coming to see the Wanamaker collections.

But you'll save time by coming to WANAMAKER'S first. Plain negligee, plaited bosoms, coat shirts, separate or attached cuffs; plain white, figured or striped madras, and plain white and white blue cheviot. Sizes 14 to 17. \$1 each. Main floor, New Building.

This Is a Little-Price Day For Men's Hats

We don't mind telling you that we're cleaning-up stocks for straw-hat-time. Perhaps we're rushing things a little—but that's your advantage, if you're in the market for a Soft Hat or Derby.

\$2 to \$4 Soft Hats now \$1 Each

Six hundred and sixty Soft Hats, in all the usual colors, taken from our own perfect stocks—no seconds, no samples—all regular goods. All sizes. Now \$1 each.

\$2.50 to \$3.50 Derbies at \$1.25 Each

And these are samples and "seconds"; from two of the largest and best hat factories in the country. All sizes and dimensions. \$1.25 each. Main floor, New Building.

Young Men's Spring Shoes Of Unusual Style, at \$2.85

Some of the snappiest new Spring styles in five dollar shoes were used as models for the making of these special Wanamaker Shoes for Young Men, at this small price. They are rarely found in medium-priced shoes. That accounts for the hit they have made.

In high Blucher style, of gun-metal and patent leather; and in Oxfords, in tan and black calfskin and patent leather. In the extreme shapes that young men demand. \$2.85 a pair. Main floor, New Building.

The Perfection of Storage for Furs & Other Goods

A Visit of Curiosity Invited Take Elevator to Eleventh Floor

THE largest dry-air Cold Storage Vault that has been built for the exclusive storage of furs. Presenting these merits:

- 1. Garments hang free, just as they would in a perfectly arranged wardrobe at home. No packing; and the ample space insures no crowding. 2. The air is always dry and in continuous circulation, with a temperature far below the freezing point. 3. The air is pure—no dust—no camphor smell. 4. The vault is absolutely fire-proof, and, of course, burglar-proof.

It is only a part of fur storage to send back your garments in the Fall, without having been moth-eaten, stolen or burned up in a fire.

We also guarantee you that they have not been musty or rust-stained, from damp storage; and that the oils have not been dried out by the heat, and that no dust has touched them, and that they have not been crushed or mused by packing.

It is PERFECT MODERN STORAGE by the most scientific method yet devised, and the most perfect and elaborate facilities that have been evolved for the work.

A telephone or postal call will bring our wagons for your furs.

W. L. DOUGLAS

THE BEST \$3.50 SHOES FOR MEN

DO YOU WEAR W. L. DOUGLAS SHOES? IF NOT, I BELIEVE I CAN GIVE YOU GOOD AND SUFFICIENT REASONS WHY IT WILL PAY YOU TO WEAR THEM.

I give the wearer the benefit of my thorough and practical knowledge of shoemaking, which has extended over fifty years.

I give the wearer the benefit of my exclusive method of tanning the bottom soles, which makes them more flexible and gives longer wear than any other sole leather produced in this country.

As I am the largest manufacturer of men's fine Hand-Sewed Process shoes in the world, it is necessary for me to purchase leather and other materials in enormous quantities; the benefit of the very low prices I obtain I give to the wearer in superior quality over other makes.

If I could take you into my large factories at Brockton, Mass., and show you how carefully W. L. Douglas shoes are made, you would then understand why they hold their shape, fit better, wear longer and are of greater value than any other make.

W. L. Douglas, Brockton, Mass.: I have worn Custom made shoes for about 25 years. Recently I purchased a pair of W. L. Douglas \$3.50 shoes and have worn them since with satisfaction. Hereafter Douglas shoes for mine. MAX GREBNER, 349 Broome St., New York City.

THESE ARE A FEW OF THE REASONS WHY I MAKE AND SELL MORE MEN'S FINE HAND-SEWED PROCESS \$3.50 SHOES THAN ANY OTHER MANUFACTURER IN THE WORLD.
