"Running an Account" That Never Runs One Into Debt.

For the convenience of patrons who like to have their purchases "charged" we inaugurated our DEPOSITORS' ACCOUNT SYSTEM.

ANY thousand Macy patrons now enjoy its advantages. This Depositors' Account plan is ideally simple and ideally satisfactory. You merely deposit a sum of money in the department on the Balcony—a sum great or small, as you elect—then have "charged" to this deposit any purchases you make in the Macy store.

We render monthly statements and allow 4% interest, compounded every three months, on your daily balance.

While a deposit cannot be checked against for expenditures made outside of the store—as we do no banking business—any or all of it may be withdrawn at any time.

This unique plan affords every CONVENIENCE of an ordinary "charge" account in a credit store, and every ECONOMY of Macy's STRICTLY CASH system.

Gift-Giving Satisfactory To Everybody Concerned.

HERE are times when you like to grant to the prospective recipient of a gift the PRIVILEGE OF SELECTING IT, certain that the article so chosen would be the one most wanted.

But you simply could not think of giving the money, nor would the prospective recipient take kindly to such an offer. Then GIVE A MACY MERCHANDISE BOND.

There are times when Charity's appeal must be answered, and when money given in response to such an appeal might be used for unworthy purposes. Then you can make absolutely certain by giving a MACY MERCHANDISE BOND.

These Bonds, in denominations of \$1.00 and \$5.00, for any amount desired, may be purchased at the Superintendent's desk on the main floor, or ordered by mail.

For purchasing merchandise in any department of the store they are equivalent to cash.
