

HACKNEY HILDRED GETS GATE

...the color of feet covered with flowers. Mrs. E. Francis Elyde wore a pink cloth tailcoat and a picture hat of black velvet and plumes.

HORSE SHOW VETS DISBAR THE FAMOUS CHAMPION.

...The senior class consists of the Horse Show Association last night. They dined in the Garden and afterward occupied the box over the Madison Avenue entrance, and this one directly opposite to it.

DAY WITH THE JUMMES.

...Championships in Many Classes End the Show Week. Shotguns had the first call, Aberdeen and Brossard of the Pittford (N. Y.) Farm winning in harness, and in the succeeding classes Brossard, which had made a quick change and appeared for stallions with three of the produce, won again, the Watt's Toronto and Elinore's Farm's Ellerslie leading the beaten herd.

THE SQUIRE'S CONSOLATION

...WASHINGTON, Nov. 23.—The Grand Consolation for two-year-olds of the big race here to-day, and it proved a surprise for the form players. The event was at seven furlongs, with \$5,000 added, and as P. T. Wilson's Prince, owned by the late Mr. J. G. W. Smith, at his mercy he was made a 7 to 1 favorite, and it looked to be an especially good thing, as McDaniel had the leg up on the Woolsthorpe colt. Despite this, however, there was a great deal of betting on the Squire, and for a not a few of the sharp wagers to be seen that Joe Notter, who had the job of opening the Squire, would send him first over the wire.

CLOSE FIGHT FOR POINTS.

...The Twenty-third Regiment A. A. held its annual games and reception last night and there was some sharp scoring for the points, which was the most interesting feature of the games. After the last event had been disposed of it was found that Company H was the winner with a total of 55 points, Company K being a close second with 54 points.

BELLARS WINS CROSS-COUNTRY

...A little after the men were sent away the interest in the team honors dwindled and centered in the battle for individual honors between Bellars and Elinore of the New York A. C. and Daly of the Irish-American A. C.

HEAVY RACE FOR INDIVIDUAL A. U. CHAMPIONSHIP.

...The time of the first lap was 11 minutes, with Daly leading and the others close up. As they hit the hill Elinore shot out and took the boys along at a merry clip, but then it was evident that she was going to be beaten. Daly, and Bellars in the race. Haskins had fallen away and finally gave up at two laps, as he said the course was too stiff a proposition.

Zephyr Weight English Suit Cases

...The Junior race was run off first and five full teams took the mark. In the fray were the regulars, the winners of the past year, Pastimes, Xaviers and Trinity and an individual from the Y. M. C. A. Out of forty-two entries, only five teams were able to start and the lot included all the promising hill and dale men in the locality. There was an entry outside of the metropolitan district in the contest. It was a ding-dong contest, with the Y. M. C. A. team leading for most of the race, but Mike Spring of the Pastime A. C. a half mile from home Spring let out and took the lead, making the leg won by nearly a hundred yards from the Xavier man. It was a popular win, for Mike, who has been run in the cross-country for the last A. C. season, has graduated to the senior class. The team honors went to the Mohawk A. C. and this with a third place in the seniors gave the sturdy Bronx boys a big slice of the day's bonanza.
