

SCHOOLBOYS CLEAR THE CARD

FIFTEEN NEW RECORDS MADE, THE OTHER EQUALED.

Elementary School Championships in Forty-seventh Regiment Armory Also Oddy Result in a Tie Between Four Teams for Organization Prize.

New records were made in fifteen of the sixteen events in the elementary school championships of the Public Schools Athletic League in the Forty-seventh Regiment Armory yesterday. The record for the sixteenth event was equaled. Eight of these new marks, however, were for practically new events, due to the change in weight classification which went into effect yesterday. This made actually seven records broken and one tied.

Almost as unusual as the big sweep in records was the tie for the school championship. Four teams, those from Public School 24, Manhattan; Public School 12, Bronx; Public School 32, Bronx; and Public School 4, Brooklyn, had twelve points to their credit at the end of the games. Public Schools 30 and 21, Manhattan, were next on the list with ten points each.

As the tie for the school championship was not broken, the tie was broken by the fact that H. Baker, Public School 9, Brooklyn, went over the bar at 5 feet 2 1/2 inches, making the new record for the senior running high jump. The old record was 5 feet 1 1/2 inches, and was made by a boy from Public School 69 in 1908. Baker had excellent form in taking his jumps, and went over without any apparent effort.

W. J. Hallbauer was the first youngster to establish a new record. He won the 100 yard run, 15 period class, in 15 seconds. Last year the event was confined to the 20 pound class, so when five pounds were added on this season it was decided that the tie in this similar event which were decided the other day should be broken.

A. Schlossberg of Public School 10, Manhattan, was the winner of the 60 yard run, 100 pound class, in 7-2-5 seconds. Peter Jackson, a negro boy from Public School 24, Manhattan, won the record for the 70 yard run, 110 pound class, in his first heat by making the tape in 81-5 seconds. In the semi-final heat Jackson put on still more speed and clipped the tape in 79-5 seconds. He won the final with ease in 75-5 seconds again. The even time would stand for the record. The best time previously made in this race was 8-3-5 seconds.

The 100 yard relay race in the 100 pound class, came under the new classification. The team of Public School 9, Brooklyn, took the lead at the start of the 350 yard race and was a good distance ahead of the finish. Public School 17, a team took second place from Public School 10 in the home stretch. A boy from Public School 24, Manhattan, well known for his speed, took the lead in the 100 yard race, in time to win by a few feet.

Public School 10, the Bronx, has the new record in the 100 yard relay race, consisting of Weinreich, Garver, Buckman and Hundler, won easily in 32 seconds, this being a better time than the last record. The half mile relay race, senior class, was not exciting. The team of Public School 10, Manhattan, took the record, 1 minute 47-5 seconds. The first heat was won by a team from Public School 131, Brooklyn, raised the mark for putting the eight mile race, which was won by W. J. Hallbauer of Public School 10, the Bronx, in 11-3-5 seconds.

The 200 yard relay race in the 85 pound class and the quarter mile relay race, 100 pound class, came under the new classification. EASY FOR CITY COLLEGE.

Franklin and Marshall Basketball Players Beaten, 23 to 9.

In a game remarkable for the reason that not a single foul goal was scored by either team the College of the City of New York defeated Franklin and Marshall at the C. N. Y. gymnasium last night by 23 to 9. The game was one of the closest played on the court.

As a result the contest was of great interest to the spectators. The local players showed material improvement over last week but are still far from championship calibre. From the time of the whistle the home team led and at all stages had the visitors at bay.

The scoring started with a rush, two baskets being tallied in as many minutes, by Barney Sedranaky. His opponent then guarded his man more closely. The other C. N. Y. players tried throwing goals, but on account of clever blocking and poor shooting few throws made good. When the game was about over, the Pennsylvanian players got a chance at the C. N. Y. goal, and two goals resulted, one by Kemp, and one by a player whose name is not recalled. The latter's goal was sensational, being thrown three-quarters the length of the court.

Mueller, who played center for one half only, showed up better than last week. He had ten points to his credit, and in 10 through two shots right under the basket. In the second half several C. N. Y. players were substituted, but the scoring kept on.

The line up and summary: C. N. Y. Positions: F. & M. Kemp Sedranaky Forward; Wait Smith Center; Smith Smith Guard; Werner Werner Guard; Werner Werner Guard. Score—C. N. Y., 23; F. & M., 9. Goals from field—Sedranaky, 3; Mueller, 3; Goldman, 2; Presiau, 1; Kemp, 2; Werner, 2. Reference—Wendlandt, 20 minutes; Sedranaky, 20 minutes; C. N. Y.—Kaufman for Breslau, Gersten for Sedranaky, Goldman for Mueller.

The freshmen team in the preliminary game defeated the Mount Vernon High School team by the score of 27 to 12. Eller and Meyer did most of the scoring for the college players, 18 points being tallied by them. Ryan and Martin did good work for the school team.

P. S. A. L. BASKETBALL.

Boys' High and Commerce Win Their Games in the Series.

Two games in the Public School Athletic League basketball tournament were played at Avon Hall, Brooklyn, yesterday afternoon. The High defeated Morris by a score of 38 to 20 and Erasmus Hall was beaten by the High School of Commerce by 20 to 10. The Erasmus Hall-Commerce game was rough and hard, 34 points being awarded for fouls.

The lineup and summaries: High—Morris. Positions: Boys High, Benjamin, Left forward; Bergerson, Volbracht, Left forward; Wilson, Parush, Center; Herschaft, Thompson, Right guard; Baer, Baer, Right guard. Score—Boys High, 38; Morris, 20. Goals from field—Hermann, 3; O'Neill, 1; Logan, 3; Wilson, 2; Blason, 2; Herschaft, 4; Thompson, Baer, 2. Substitutes—Morris, 10; High—Wilson, 10; Substitutes—Morris, 10; Erasmus Hall—Dunmore for McCall, Casator for Sonville, Orangi for Logan, Brewster for Jones, Smith for Empire—Smith. Time of halves—15 minutes.

PENN HAS A STRUGGLE.

Navy Basketball Players Not Easy to Beat 10 to 14.

ANAPOLIS, Dec. 11.—Pennsylvania won at basketball from the midshipmen yesterday afternoon 16 to 14. The strong game played by the locals, together with the absence of several of the best players, allowed the Navy to finish the first half with a lead of two points. The local team was guilty of eight fouls, but McNichol was able to turn but two of them into points. Pennsylvania was in better shape along the line and had one black mark, Speer's foul early in the first half.

The lineup and summary: U. of P. Positions: U. of P., Weiser, Left forward; Weiser, Weiser, Left forward; Weiser, Weiser, Center; Weiser, Weiser, Right guard; Weiser, Weiser, Right guard. Score—Pennsylvania, 16; Navy, 14. Goals from field—Weiser, 3; Douglas, 3; Abbott, 2; Wilson, 2; Watson, 2; Speer, 2; Goals from free throws—Weiser, 2; Douglas, 2; Wilson, 2; Watson, 2; Speer, 2. Substitutes—Weiser, 10; Navy—Abbott for Hill.

SLOW GAME AT N. Y. U.

Georgetown Players Beaten, 31 to 14

New York University defeated the Georgetown basketball team in a slow game in the local gymnasium last night by the score of 31 to 14. Both teams played a slow game. New York led at the end of the first half by 11 points. The home players better in the second half. Wallace was New York's best player, scoring 16 points and making 10 out of 15 shots.

The lineup and summary: Georgetown. Positions: Georgetown, Goggin, Left forward; Goggin, Goggin, Left forward; Goggin, Goggin, Center; Goggin, Goggin, Right guard; Goggin, Goggin, Right guard. Substitutes—Goggin, 10; New York—Tuohy for Schlosier.

GEN MEET AT PRINCETON.

Intercollegiate Association Selects Place for Championship Competition.

The Intercollegiate Athletic Association had a meeting in Earl Hall, Columbia, yesterday afternoon to select a place for the annual intercollegiate meet. It was agreed that the meet should be held in Princeton in 1910.

A committee was appointed to see to it that the meet gets over in less time than it usually takes. It was the feeling of those at the meeting that it was asking too much of a man to travel over the hundred miles and then to compete for the night. Things probably will be simplified by having the meet at one time than has been the custom.

The College of the City of New York has been admitted to the world of intercollegiate sports. The college is admitted. The final vote will be given at the annual meeting.

SKATING.

Oscar Dollard, Weighing 70 Pounds, Wins Schoolboy Race.

Oscar Dollard of De La Salle Institute was the winner of the midget skating race at the St. Nicholas rink yesterday. Weighing only 70 pounds, he won the race in 2-3-5 seconds. The race for second place was between J. H. Bodenheimer of Stevens School and A. Lichtenstein of Irving School, who both finished in 2-3-5 seconds.

CANADIANS SHOW THEIR GAME

EXPERTS AND OTHERS AT VAN CORTLANDT PARK WATCH.

Content Between Two Rugby Teams From the Dominion Falls to Please Because of Ruggedness of Play—Little That Will Improve Our College Game.

Strictly for laboratory purposes two Canadian rugby football teams met yesterday at Van Cortlandt Park. They were the Tigers of Hamilton, Ont., and the Rough Riders of Ottawa, Ont. The score will doubtless be news to many of the 15,000 or so folks who watched the game. They knew more about the city's debt limit than they did about the rugby game on yesterday in the northern limit of the city.

The crowd that fringed the playing field included some of the leading lights of the American college football world. They were asked to come there to see what they could pick out of the Canadian game that would improve the American, or rather the United States brand. It was supposed that several of the features of the Dominion game would appeal strongly to people here.

It undoubtedly would have been a more impressive exhibition had not the two teams broken training about three weeks ago. As a result their play was erratic yesterday. There was a deal of fumbling, poor tackling and uncertain maneuvering that led one man to remark that it looked to him exactly like a loosely played game between two inferior United States teams.

In the roped enclosure there were experts by the cord. Walter Camp of Yale, who really knows the Canadian game, sat in the front row and drew designs with a pencil on a board for the benefit of the less initiated. A. A. Stagg of the University of Chicago, with Prof. Moran of Purdue, represented the conference colleges. Percy Williams of Harvard was there. So was William H. Edwards of Princeton.

J. B. Pendleton of Bowdoin, Richard Sheldon of Yale, Gilman Collamore of Harvard, H. C. Brown of Harvard, W. F. Garcelon of Harvard, Leitch Berrien, U. S. N. Lieut. Nelly, Col. Sibley, Capt. Koehler, Capt. Grove, Lieut. Stillwell, Lieut. Telford and Lieut. Cooper, all of the army; George F. Sanford of Yale, and W. M. Maxwell, Schwartz of Brown, W. Hollenbach of Pennsylvania and W. Brasher of Princeton, were also present. The game was not to mention Van Flood, James C. Rice, Melville Webb, Jr., and Sagle Rawlins. There was a great deal of talk on the Canadian game earlier in the day and almost every one of the expert and visiting contingents had a few remarks to make.
