WOMEN'S NEW MODEL SUITS AND COATS. Cutaway coats predominate, fastening to the side with one, two or three large buttons. The most novel feature of the coats is that they are trimmed on one side of the back, to match a similar trimming on the skirts. Skirts show a multitude of new effects, the principal similarity being in the corset arrangement. Otherwise they are draped, slashed, cut in sections, in tunic effects, and among the more expensive suits, in two sections, consisting of a voluminous coat skirt fastening over the ordinary skirt. For immediate wear there is great demand for moderate-priced suits. In these our stocks are inexhaustible. We present several of the models just out.

WOMEN'S SPRING SUITS AT \$29.74. One model is a pencil-striped worsted suit with cutaway coat. Fancy buttons show the reverse side of the material as binding, collar and revers are mannish. The skirt is rather plain, in apron effect. Another model is quite dressy, the back of coat and skirt being cross-striped with silk braid in Directorate effect. A heavy braid ornament fastens the coat and white wool ratine is inlaid on revers and cuffs. Colors, navy and black. WOMEN'S SPRING SUITS \$39.74. These three models in blue or black French serge. The first one illustrated has pieced cutaway coat with striped silk collar and cuffs. Skirt is pieced to match. Another is made Russian style, widely belted with patent leather under girl buckles. The upper sailor collar on coat is of novelty silk which is inserted on either side of skirt. The dressiest model has a full wide tulle of taffeta edged with frilling. Heavy ornaments trim the coat and corseted skirt. Higher priced models in basket-weave voile, Bedford cord, whipcord and serge, up to \$154.00. A particularly clever Directorate suit at \$64.75 has revers facings and vest of Russian embroidery. WOMEN'S SERGE TOP COATS, \$22.74. In black or navy. A semi-fitting, elegantly simple full-length model lined with messaline. Fastens with smoke pearl buttons. Outer leather buttons. WOMEN'S SERGE TOP COATS, \$19.74. Light, soft mixtures in browns and grays. Cut away model lined with silk, somewhat boxy with convertible collar. Silk serge yoke lining; leather buttons. One of the newest evening wraps for Spring is a changeant taffeta 'cape-coat, edged with ruchings of the same material. This wrap is of the sort that will be most fashionable. Its price is \$59.75.

DECORATING TO ORDER China decorating on the premises is one of the most widely known of our house specialties. There is almost nothing in the decorating or reproducing of valuable china that we cannot do. We decorate China and Crystal with ophers, monograms, crests, coats-of-arms, pennants, streamers, or any specially desired device. This work is done by men who have spent their lives in the craft, and know every effect that can be gained with the use of gold, silver, enamel and lustre pigments. Their work is absolutely without blemish. We also engrave crystal and cut glass to order, and reproduce rare china and crystal which has become broken or repair it if that is possible.

BRIC-A-BRAC AND ART WARE This special reduction applies to all line bric-a-brac and art ware, from a vase at 97c up to a beautiful hand-painted vase from Vienna, at \$250.00.

"BLOCH" BABY CARRIAGES & GO-CARTS

1912 Models 1-5 Off. More than 20 years' experience is behind "Bloch" Baby Carriages and Go-Carts. Not only are they obviously the best in material and construction, but they are scientific in design. The importance of this would be better appreciated if more women knew how often infantile troubles are traceable to faulty carriages and go-carts of average construction. The "Bloch" carriage gives that adequate support to the spine that means comfort and health combined. While many of the "Bloch" testimonials refer only to the unusual durability of these baby carriages and go-carts, many others are from physicians, trained nurses, and writers and lecturers on the care of infants, and these will appeal to careful mothers with even greater force.
