

National League Presidency Will Be Offered to Governor John K. Tener of Pennsylvania

TENER CHOSE TO ACCEPT LEAGUE PRESENT

Magnates of National Will Ask Pennsylvania Chief to Succeed Lynch.

TO OFFER 5 YEAR TERM

Committee of Club Owners Will Call on Him in Next Few Days.

REPORTED HE'LL ACCEPT Information From Harrisburg That He Might Resign Present Office.

BAKER TALKS AT LENGTH Phillies Head Says Six of the Magnates Are for Him and Others Not Heard From.

When the next few days a committee of National League club owners will call upon John K. Tener of Pennsylvania and offer him the office of president of the National League will agree to increase the term to five or more years, Gov. Tener would, according to information received by THE SUN from Harrisburg last night.

The tip that Gov. Tener might be chosen to succeed Lynch, leaked out in Harrisburg yesterday, probably through the medium of Garry Herrmann, it was the National League men open their eyes in astonishment, for they knew that somebody had been telling secrets. President Hobbes of the Brooklyn club when asked about the matter said that Gov. Tener, of course, would be an ideal man for the post, but he declared that he knew nothing upon which to base the report, and that even if he did know anything he wouldn't tell it to the newspapers.

Former Police Commissioner W. F. Baker, president of the Philadelphia club, however, did not attempt to deny the report when THE SUN man interviewed him at his residence in Brooklyn. He talked freely and said that he was willing to be quoted as follows:

Somebody in Cincinnati has let the cat out of the bag and I'm sorry, because we were trying to keep our plans quiet until we could properly approach Gov. Tener. I am sure that he would accept the office of the league. But I'm not going to deny the report. The facts are these: Presidents of six National League clubs have been approached with a view to finding out whether they would accept Gov. Tener as president of the league. All of them have replied promptly and enthusiastically, and all have indicated their willingness to accept. Two other club presidents have been informed of the plan, but they have not been heard from. But they will send word how they feel in a day or two.

We don't know that Gov. Tener will agree to take the presidency, even if all of the eight clubs request it, but we sincerely hope that he will, because the desire of the National League men for restoring the league's former prestige. His election would mean that all petty quarrels in our ranks would cease, that there would be no more fussing about a salary of \$5,000. It is believed that the league will be glad to elect Gov. Tener for a period of at least five years at three times the salary received by Lynch.

The idea of choosing Gov. Tener as president of the National League men for the first time since the days of Hubbert, the first president, will have a chief executive who will command their respect, and will be able to get along with them. He is the owner of the Cincinnati club.

A passing of Lynch, therefore, seems to be a certainty, while the perpetual candidacy of R. W. Brown of Louisville has reached the end of the rope. A year ago, when the late W. H. Locke began negotiating for the purchase of the Philadelphia club from C. P. Taft, it was reported that Gov. Tener was behind Locke, but this was found to be untrue.

QUAKERS THINK HE'LL ACCEPT

Tener Decries Candidates, but Does Not Say He Would Refuse.

PHILADELPHIA, Nov. 6.—Notwithstanding Gov. John K. Tener's strenuous denials that he is a candidate for the presidency of the National League, the feeling is general here, that should the position be tendered to him, he would not refuse. The fact that he is a Quaker is added to this opinion by the fact that, while denying his candidacy, the Governor did not intimate that the election would displace him.

The nature of your inquiry surprises me, said the Governor, and I have no sense a candidate for the presidency of the National League, hence it would be foolish for me to discuss the subject.

ZIM SIGNED BY FEDERALS. So Says One of Their Magnates in Pittsburgh—Holds Off White Sox.

PITTSBURGH, Nov. 6.—The New York National League team will not get Home Zimmerman in a trade, neither will the Chicago Cubs be able to swap the 18-year-old pitcher with a local Federal League magnate today.

CARNEY CATCHES UP TO DE ORO AND PASSES HIM

Makes 63 to Champion's 36 on Second Night and Now Leads 100 to 86.

Joseph Carney caught and passed Alfred De Oro, the champion, last night in their three cushion match in Foxley's billiard room. He excelled the Cuban all the way, and made 63 points to his opponent's 36. The totals for two nights are now 100 to 86 in Carney's favor. The latter thus overtook De Oro's lead of 14 for the night.

De Oro began with 2 from where he left off on Wednesday night, and Carney responded with two pretty ones. One was a two cushion shot, the other cross table with reverse twist. De Oro followed to the side rail for his third point and took two cushions from there for a point. Both scored freely in the early innings. De Oro having four points for the first inning, and Carney five points for four innings. At the end of the tenth inning Carney's total exceeded De Oro's by 2 points. The score was 9 to 7. Carney ran 4 in his tenth inning and it was a constellation of beauties.

In his tenth inning Carney swept over the table for a run of 7. It was around the table work and dashing, generally in the direction of the cue ball, and Carney's corner or end rail. Carney's total for the tenth, eleventh and twelfth innings was 12, and his total for the night 17 to De Oro's 12. Carney's lead was now 100 to 86, the grand total, the count being: De Oro, 58; Carney, 54. The latter led, 20 to 10, on the evening's play at the end of the sixteenth inning.

For six innings in succession, beginning with the first, Carney played a fine game, a point and a third. He continued to outplay De Oro, who played listlessly. They gave each other safety for a spell until Carney negotiated a three cushion bank shot for the count, and on what wasn't far from being a straight line. He added 3 more points to the 17, making 20 to De Oro's 12. Carney's lead was now 100 to 86, the grand total, the count being: De Oro, 58; Carney, 54. The latter led, 20 to 10, on the evening's play at the end of the sixteenth inning.

This Team Outdoes Poly, Manual, et Al.

ORCHARD LAKE, Mich., Nov. 6.—Reports have reached here of the double header by four scholastic football teams in Brooklyn recently, but the event does not hold a candle to the feat performed by the local Polish Seminary prep school team. It participated in both ends of a double header last Saturday and won both games. In the morning Collegiate Institute was beaten by 22 to 7 and in the afternoon the Central High ineligibles were victims by 26 to 12. There was an intermission of only two hours between the games. The victors weathered the test in good shape and could have played a third game.

SQUELCH HERRMANN BY UNANIMOUS VOTE

His Interleague Series Scheme Voted Against by Every American Magnate.

CHICAGO, Nov. 6.—The American League went on record today as opposing Garry Herrmann, chairman of the National Commission and president of the Cincinnati Reds, in his scheme of arranging an interleague series of games at the close of the two major league seasons. The American League at its annual meeting, which began today, held that the world's series scheme suited its fancy and refused to have anything to do with the plan of Herrmann whereby the teams of the American and the National would play post season series games.

WILLARD TO TACKLE MORRIS, SAYS GIBSON

Expects to Stage Big Felloes in the Garden on December 2.

DAN DAILEY WANTS BOUT

Gunboat Smith's Scrap With Sam Langford Fixed for Nov. 17 in Boston.

According to Manager Gibson of the Garden A. C. there will be no hitch in the present negotiations for a ten round bout between Jess Willard and Carl Morris. Desiring to see Gibson yesterday that he had received several letters and telegrams from Tom Jones, Willard's manager, indicating that the big Texan would accept the Garden's terms within the next day or two. Morris, as THE SUN announced on Tuesday, already has signed articles to box Willard in the Madison Square arena. But if Willard at the last moment decides to back out, Dan Dailey, the Pittsburgh heavyweight who recently stopped Palmer in two rounds, will be substituted. Dailey's manager, Jimmy Dime, has wired Gibson asking for a battle with Morris on as late as Willard is concerned, said Gibson yesterday.

Either Keep Away Or Avoid Politics

JAMES E. SULLIVAN, defeated candidate for County Clerk, was in a jovial mood yesterday as he waded through the many letters of sympathy and compliments for making a good fight. One postal card put the case in a nutshell. It read: "As a politician you are a bad runner. Retire."

GIANTS HIT IN BIG BUNCHES.

Leverenz Pitches Curves Last Night in Rare Air, Then Fielders Run.

DOUGLAS, Ariz., Nov. 6.—There were scoundrels doing here to-day, the Giants hitting Walter Leverenz for a barrel of hits and enough runs to make the score 11 to 2. The White Sox, 14 to 6. White Sox was fair, but any hit missed by an outfielder usually went for a home run, and thus five were accumulated during the matinee. The field was a wide proportion of the game, and the fielders were in and out had their troubles and had to do a lot of bush league joshing over the showing.

LILL TO OPPOSE PAWLING.

Boston Man Comes Out for Head of A. A. U. on Radical Platform.

Another candidate is in the field for the presidency of the Amateur Athletic Union in opposition to George L. Pawling. The name of Lill was announced first at the successor of Gustavus T. Kirby of New York. Boston has come to the front on behalf of A. J. Lill, Jr., of the St. Joseph's A. A. U. of Boston, and he has no objection to making the radical platform as the stand taken by the retiring president, who suggests the meeting of amateurs and professionals in one place.

A. A. U. GOES AFTER KOLEHMAINEN AGAIN

Registration Committee Gives Hannes Notice to Attend Its Meeting Next Wednesday.

MEMBERS STILL SILENT

Stumpf Running True to Form in Secrecy Stakes and Says "I Can't Talk."

Hannes Kolehmainen, the Olympic champion and winner of the ten mile championship of the A. A. U. last Saturday, has received notice to attend the next meeting of the registration committee next Wednesday to answer questions regarding his status as an amateur. It is understood that the inquiry will be along the same lines as that pursued when Kolehmainen appeared before the committee last winter to testify as to the value of the prize he received for running at the games of the Tipperary Men's Association.

At that time the registration committee was criticized for asking Hanne questions as to what his means of subsistence were, and also whether he received any expenses for competing at the Tipperary games. These two questions were not put to the other crack athletes testifying and the contention was general that the committee exceeded its privilege in asking Hanne questions.

It is well known that though Kolehmainen has been in this country for considerable time, he has not been able to make much money at his trade. It is also well known that his brother Wilho has been able to accumulate a snug sum as a professional runner, and that Hanne has been himself and brother. At any rate there is considerable doubt among those acquainted with the complicated rules of the A. A. U. as to whether Kolehmainen has any right to inquire from Kolehmainen or any one else as to his means of livelihood, provided he does not receive pay for competing at amateur games, or take a member of any club.

Football Team Has Suffragette Coach

CINCINNATI, Nov. 6.—Cincinnati has come to the front with something absolutely new—a woman football coach. Mrs. Charles Burkhardt of Price Hill is acting as chief assistant to Coach Miller of the Price Hill eleven. Mrs. Burkhardt is a lover of outdoor sports, but football is her hobby. She is an athlete, having performed on several Vassar teams. Mrs. Burkhardt asked to be allowed to join the coaching staff and assist in teaching several plays used by Eastern teams. Permission was granted and she has been helping ever since.

LAST STARTER FIRST IN LIST OF SCORES

Charles W. Brown Makes an 86 in Qualifying Round at Sleepy Hollow.

SCARSDALE, N. Y., Nov. 6.—Though he was the last man of the entire field to put in an appearance, Charles W. Brown of St. Andrew's, a former Hudson River champion, made the lowest score in the qualifying round of the international tournament of the Sleepy Hollow Country Club this afternoon. Most of the golfers played in the morning, and the rolls around the scoreboard was about ready to figure out the winner when Brown turned up with an 86. He was the partner for him, so a couple who already had finished volunteered to play another round, and Brown set out as a member of a threesomes team.

He played steadily going out and reached the turn in 42. Coming in he was a couple of strokes worse, so his total for the round was 86. It was just good enough to win, for A. H. Johnson of the home club had made an 87.

The loss of the low score prize at the last minute did not seem to matter to any great extent, however, as Johnson for him the club championship, which was played in conjunction with the qualifying round of the invitation tournament. W. S. Kinneer, with a 92, was the second man in the struggle for the club title.

About forty of the fifty who had entered played today, and among the absentees was Gilman P. Tiffany, the winner of the Sleepy Hollow tournament last July. He had expected to play, but at the last minute found that he was unable to do so. The conditions were ideal and it was hard to account for the high score, and Johnson and Johnson were able to make the round in less than a stroke. In fact the first sixteen was nearly marred by the inclusion of a score of 100 by one of the amateurs. Dixon of the National Golf Links, yetted the calamity by slipping into the sixteenth place with a 99.

Two match rounds will be played to-morrow and the semi-finals and finals will be left for Saturday. The scores as of this morning were: Brown, 86; Johnson, 87; Kinneer, 92; Tiffany, 93; Kinneer, 94; Johnson, 95; Johnson, 96; Johnson, 97; Johnson, 98; Johnson, 99; Johnson, 100; Johnson, 101; Johnson, 102;
