## "Seven Furniture Days"

Sixth Floor

Monday, April 27th, Until Monday, May 4th, Inclusive.

A semi-annual occasion during which you can select Furniture of splendid construction and finish, for all rooms, and homes of all sizes, at much lower prices than high grade furniture is sold for in the regular way. The suites and separate pieces illustrated here are merely representative values. Hundreds of other offerings equally attractive are on hand.

**Bed Room Suite**—4 Pieces. Usually \$400.00.....\$300.00  
An excellent design in solid mahogany. Elegant drawer-work; a secret drawer in the Dresser. A most beautiful Bedstead. The carving is handwork, and the drawer-work is fitted with particular care. This suite also comes in antique ivory finish, enameled on solid mahogany.

**Solid Mahogany Suite** 4 Pieces. Usually \$175.00 **\$125.00**  
Four-post Bedstead (either full or single size), Dresser, Chiffonier and Costumer. The cases are dust-proof throughout, nicely finished, well made, and the Bedstead is a most attractive design.

**Adam Suite**—5 Pieces. Usually \$350.00.....\$245.00  
This is a special design in mahogany, made for Lord & Taylor. The material, workmanship and finish are excellent. The Suite consists of Twin Bedsteads, a 50-inch Dresser, a 34-inch Lowboy, and a 40-inch Dressing Table. This same Suite, with a full-size Bedstead instead of Twin Bedsteads, \$200.00.

**Adam Suite**—10 Pieces. Usually \$700.00.....\$500.00  
*The Best Suite Ever Offered at This Price*

The Buffet is 72 inches long, and has eight legs to strengthen it. The China Cabinet is 48 inches wide, and has four front legs. The Serving Table is 44 inches wide, and also has four front legs. Each of these pieces is made with a swell front, and beautifully ornamented with the finest work known to the Adam Brothers. The Dining Table, which is a work of art, has a 54-inch top, with 8-foot extension. The Chairs are made of solid mahogany, and are particularly attractive, having the antique cane-seat which is proper to this period. These can, however, be furnished in leather or haircloth at a slight advance in price. The China Cabinet has two mirror panels and one glass shelf.

**Adam Suite**—10 Pieces. Usually \$400.00.....\$295.00

This remarkable Suite, which is made of mahogany and constructed by one of the best factories in Grand Rapids, was designed for The Store by a draftsman who has made a careful study of the true points brought out by the Adam Brothers years ago. The Buffet is 60 inches long and has four front legs, giving strength and character; the top drawer is made the full length of the Buffet and is therefore convenient to store the linen. In many Adam Suites this is not to be found. The China Cabinet is 45 inches wide; it also has the four front legs, and is ornamented by a mirror and grill-work. The Dining Table is the equal of those found in suites costing \$500.00 and more. Six solid mahogany Dining Room Chairs to match.
