COACH DALY MAKES ARMY MEN TOIL, BUT NO SCRIMMAGE YET

ARMY. West Point, Sept. 16.—Though the Army's practice to-day was by far the most strenuous yet held, the terrific grind of preliminary training is not yet at an end...

CORNELL. ITHACA, Sept. 16.—A series of hard scrimmages featured the Cornell football practice this afternoon. Practically the entire varsity squad has reported now and the surprise of the day was Coach Sharpe's placing Shuler, who played at fullback a good share of the time last year, at quarterback on the field for the first time...

PENNSYLVANIA. PHILADELPHIA, Sept. 16.—Capt. Albert Journeay of the University of Pennsylvania football eleven will start in the game against Gettysburg as a center. This was decided by the board of coaches to-day at Franklin Field. Mike Dorizas and Kenneth Whitlow Harris will have the first call for the tackle positions. The big line men, the halfbacks and the backs, were also named...

MICHIGAN. ANN ARBOR, Sept. 16.—Half the Michigan veterans are on the second string at present. Capt. Raynor at center, Lyons at right end, Haight at quarter and Galt at half are the only monogram men holding their old positions. Coach Vost has coached in a game at center, McCutcheon and Anderson at guards and Gallagher and Jewett at tackles. He has no more satisfaction that this is the strongest combination.

CARLISLE. CARLISLE, Pa., Sept. 16.—The Carlisle Indians started their football training table this afternoon coincident with the expected return to school of Capt. Elmer E. Bush and the division of the squad of prospective applicants into the usual varsity and scrub teams, which, however, are not selected permanently. The warm weather has caused short drills lately, but this evening a brisk scrimmage was entered into today because of the necessity of preparing for the beginning of the football season with the game against Albright on Saturday. No complicated plays will be used. Windshak and Morrin will alternate in the place of Garow, last year's center, who is expected to arrive in a few days, will be the backs in the opening game.

WILLIAMS. WILLIAMS, Mass., Sept. 16.—Williams football practice continued here this afternoon on Weston Field under the direction of Coach Day. Among those who reported this afternoon were the veterans MacNamee and Crawford. Despite the hot sun, practice lasted about two hours. It consisted mainly of a drill in charging and in tackling, the men to go down under forward passes and punts. Capt. Vinal of last year's eleven is expected to assist in the coaching within a few days.

WASHINGTON AND LEE. LEXINGTON, Va., Sept. 16.—Under the direction of their new coach, Elcock of Dartmouth, Washington and Lee's football practice today was the first practice of the season on Wilson Field. Seven of last year's eleven and the same number of substitutes on the 1914 team took part in the work, as well as eight new men. By to-morrow, when college opens, there will be twenty-one players. Buck Miller of Brooklyn, last year's captain, is expected to-morrow.

YONKERS LAD PLAYS RAHWAY BOY IN FINAL

Forster and Throckmorton to Settle Junior Tennis at West Side To-day.

BOTH TAKE TWO MATCHES

Pittsburg Youth Shows Fine Control, but Lacks Speed of His Conqueror.

Forster Hills, L. I. Sept. 16.—H. W. Forster of Yonkers and Harold A. Throckmorton of Rahway, N. J., will meet in the final round for the metropolitan junior lawn tennis championship to-morrow. At the West Side Tennis Club courts here to-day these two young racket wielders advanced to the titular round.

Forster moved out in the lower half by defeating H. L. Bowman in the fifth round at 6-5, 6-2, and H. C. Harrison in the semi-final round at 3-6, 6-3, 6-2. Throckmorton moved up by victories over C. W. Warren in the fourth round at 6-2, 6-2, and Charles S. Garland of Pittsburg in the semi-final round at 9-7, 6-7, 6-3. A mistake on the scoreboard caused Throckmorton to be reported as beaten yesterday.

The match between the young Pittsburg and Throckmorton was the feature of the day and gave the on-lookers a good chance of comparing two widely different styles of tennis. Garland made his point by careful placing and good generalship. From start to finish he depended on out-guessing and outpacing his rival rather than on speed or power in his strokes, but they were for the most part wonderfully accurate. Throckmorton was not more than ordinarily accurate, but his strokes had all the force that his rival's lacked.

In the doubles four teams reached the semi-final round. Haines and Donnell will play against Forster and Dubois in the upper half to-morrow afternoon, while Selig and Wolf will meet Smith and Bowman in the lower half. The summaries: Junior Metropolitan Championship Singles. Fourth round—F. Vanderverer defeated G. E. Donnell, 4-6, 6-4. Fifth round—Harold A. Throckmorton defeated C. W. Warren, 6-2, 6-2. Charles S. Garland defeated H. L. Bowman, 6-2, 6-3. H. C. Harrison defeated F. Vanderverer, 6-3, 6-2. Semi-final round—Harold A. Throckmorton defeated Charles S. Garland, 9-7, 6-7, 6-2; H. W. Forster defeated H. C. Harrison, 3-6, 6-2, 6-2. Junior Metropolitan Championship Doubles. Third round—Haines and Donnell defeated Hopkins and Hopkins, 2-6, 7-5, 6-3. Forster and Dubois defeated Royal and Selig, 6-4, 6-2. Selig and Wolf defeated Chandler and Garland, 6-2, 7-5; Smith and Bowman defeated Warburg and Meines, 6-1, 6-4.

KING CLANSMAN NOT EXTENDED TO SCORE

Prohibitive Favorite Captures Straight Heats in \$5,000 Stake at Detroit.

McMAHON DOUBLE WINNER

Also Drives The Assessor for Geers to Victory in 2:13 Pace.

Detroit, Sept. 16.—The \$5,000 stake for 2:14 trotters, feature event of the harness races at the State Fair to-day, was won by the Chicago stallion King Clansman, driven by Dick McMahon. The winner was a prohibitive favorite over the field and won in straight heats well within himself each time.

In the final heat of the 2:04 pace, in which five heats were raced on Tuesday, the Philadelphia gelding R. H. Brett won in 2:03 3/4, a new world's record for a sixth heat, the race also being the fastest six heat race ever paced. The record of 2:03 3/4 by R. H. Brett also established a new world's record for a four-year-old gelding.

The Assessor, from the Geers' stable, but driven by Dick McMahon, won the 2:13 pace, his maiden victory, giving McMahon two winning mounts for the day. It was announced that the champion stallion Directum I. will go to beat his

SECRETARIES OF NAVY AND WAR TAKE A HAND

Submit Their Ideas to Athletic Associations in Regard to Big Football Game.

WASHINGTON, Sept. 16.—Secretaries Garrison and Daniels submitted to the athletic associations at West Point and Annapolis academies to-day a proposal for adjusting the differences between the two institutions with regard to the city in which the annual football game is to be played.

It is believed that the two Secretaries are in favor of the game being played in Philadelphia at Shibe Park, instead of at Franklin Field of the University of Pennsylvania, where the accommodations for spectators are extremely limited. That the suggestions of the two Secretaries will be accepted by both institutions is expected here.

Secretary Daniels conferred with Commander J. R. P. Pringle and Lieut. Arthur P. Fairfield, representing the Navy Association, to-day, while Mr. Garrison had a conference with representatives of the West Point Association last week. Announcement will be made as soon as replies have been received from the West Point and Annapolis athletic officials.

Mitchell \$1250 (F. O. B. Factory) Light Weight—but Safety First. FORTY-TWO IMPROVEMENTS. 1500 Merchants Predict This Car Will Make 1915 a Mitchell Year. Fifteen hundred merchants, who have sold over \$100,000,000 worth of motor cars, and know not only the public taste, but motor car values, examined this car and predicted, as a result, that 1915 would be a Mitchell year. They based their judgment on these four fundamental facts: 1. Mitchell's 80 years experience in producing a good commodity. 2. A margin of \$250 in value over other cars in its class. 3. The resourcefulness of Mitchell's manufacturing genius—John W. Bate. 4. Mitchell's financial standing. 80 years of doing one thing gives Mitchell an experience rare in motordom. That is why these 1500 successful merchants, some of whom have sold Mitchell products for over 30 years, know that the car will have the ring of quality. There are over 2,000,000 users of Mitchell products in America today. The tremendous influence of 2,000,000 dissatisfied users would annihilate any concern. PHILADELPHIA 250 N. Broad Street HARRY S.
