## CORNELL AND BROWN MEET IN BIGGEST NEW YORK GAME

### Contest at Polo Grounds This Afternoon Will Be Best of Season on Local Gridiron--Both Teams Will Wear Numbers.

Both the Cornell and Brown football teams which will meet in New York's biggest football game of the season at the Polo Grounds to-day practiced on the playing field yesterday and then reached their hotels full of confidence. One was just about as confident as the other.

## SCHOOLBOY ELEVENS LOSE STAR PLAYERS

### Several Teams Will Go Into Games To-day Weakened by Absence of Veterans.

SCHOLASTIC FOOTBALL TO-DAY.  
High School of Commerce vs. Poly Prep at Poly Field.  
Clinton vs. Boys High at Hawthorne Field.  
Morris vs. Stuyvesant at Manhattan Field.  
Fordham Prep vs. White Plains High at Fordham.  
Adelphi Academy vs. Manual Training at Adelphi Field.  
Commercial vs. Erasmus Hall at Commercial Field.  
Brooklyn Prep vs. West End at West End Field.  
Yonkers vs. Tenkers High at Inglefield Field.  
St. John's Prep vs. Paterson High at St. John's Field.  
St. Paul's vs. Hamilton Institute at Garden City.  
Mount Vernon vs. New Rochelle High at Mount Vernon.

The High School of Commerce and Poly Prep meet again on the gridiron today after a hiatus of eight years, their last meeting being in 1905, when the Brooklyn school was beaten 24 to 11. The game will be one of a dozen which will be played in and about New York city this afternoon and will be featured by snappy play. It will be alumni day at Poly Field, and all the usual holiday ceremonies will be seen, including a parade, a single match for the brass band, Poly has a scrappy aggregation, but this week has proved disastrous. Mort and Bill Redmond, two line men, were given their last games owing to the death of their mother. Bronner, an old scholastic man, is out with a twisted ankle, and it is not known whether Capt. Quinn, at left, will be able to play, as he hurt his hip two weeks ago in a game against Bay Ridge. Commerce on the other hand has practiced faithfully against the Fordham varsity and has developed its weak spots.

The Adelphi Academy-Manual Training game at Adelphi Field is another contest which has its attractions. Adelphi has not yet won all of its games so far, but has not been scored upon. The Lafayette avenue team, however, will meet one of the strongest of the city eleven teams in the afternoon. It is felt that its strength may be had. On the eve of its game, Manual loses its star tackle and captain, Donald McGarry, because of backaches. In the studies, it is felt that McGarry will play in the game.

Boys High and De Witt Clinton, which have not as yet scored in the playing of a clash at Hawthorne Field. Clinton has been practicing against Stevens Tech, and its backfield has improved wonderfully. The athletic association of the playing of the Manhattan championship, are scheduled to fight it out at Manhattan Field Erasmus Hall, with a rematch in the afternoon. The game will be played at 4 o'clock on Saturday. Fordham Prep will have as its opponent the White Plains team. Bay Ridge and Brooklyn Prep line up at 4 o'clock. The game between St. Paul's and St. John's Prep at the latter's field; Hamilton Institute and St. Paul's clash at Garden City; Irving School and Hamilton at Mount Vernon; and New Rochelle will have it out at Mount Vernon.

Westway Relies on Kennan's Kicks.  
Middletown, Conn., Oct. 23.—Westway's hopes of scoring in the Amberst game to-morrow rest with Capt. Dan Kennan, who is expected to kick the pigskin over the goal posts from placement. The Indians' Kenan, who has been in the United States, is not in condition to allow of his entering the scrimmage, but the plan of attack now is to rush the ball to the foe's 49 yard line and then punt it into the hands of Kennan, who has been showing great proficiency in this late. Capt. Kennan probably will do the punting. With Capt. Kennan and Hingebey, who broke his leg in the Brown game, Westway has no line bucking ability and will have to depend largely upon trick plays for advancing the ball. Nourse, who was hurt in the Brown game, probably will get into the game at end.

Lafayette Punter Out of Game.  
Easton, Pa., Oct. 23.—Lafayette took the last step this afternoon in the preparation for the game with Villanova, which will be played on March Field to-morrow afternoon. There was a short scrimmage to a signal drill. Full will do the punting to-day to-morrow, as Kelly is on the sick list.

A few unusual bargains in 1914 and 1915 used but overhauled and guaranteed. Chandler light six cars, \$150 to \$1,200; also Buick Franchises, 45 H. with touring and Roadster bodies, \$100. Humphreys, 124 Soaring, electric lighting and starting, conditions. 4750 BROADWAY, MOTOR, 5000. POLARIZATION, 245 West 60th St., New York.

through ten minutes of mixing it with afternoon, and then followed it with a special drill. Special attention was given to the kickers.

## Yale Ready for Harb Contest

New Haven, Conn., Oct. 23.—The Yale football players had their last workout this afternoon before the Washington and Jefferson game to-morrow. The drill was the snappiest held thus far this season. A solid hour was devoted to signal work. The first substitute was called at the end of the game, and every man was following the ball all of the time.

The varsity showed fine form. Aleck Wilson, who was injured in the Virginia game, was back in the line today during the first part of the drill. It was the first actual work he has done since the Dartmouth game, who has been in the line since that time. The practice consisted of the old ones were run off, and every man was following the ball all of the time.

Michigan vs. Syracuse.  
Syracuse, Oct. 23.—Coach York of Michigan expects to lose to-morrow's game to Syracuse. The Wolverine mentor will use a crippled lineup with only one man in the game that has had any playing last season. Lyons started at end last fall, but will be used at halfback to-morrow in an effort to strengthen the offense.
