

Fine coffee never more essential than in hot weather

In city or country, fine coffee is never more essential than in hot weather. In summer particularly, you should serve Yuban for breakfast. After hot, restless nights, you will find nothing more tempting, more bracing, than a cup of truly fine coffee. On hot summer evenings, serve Yuban iced. Enjoy to the fullest the flavor for which it was selected from all the

coffees of the world.

So that it will be convenient this summer for everyone to secure Yuban, the private

RITZ-CARLTON HOTEL

Use $1\frac{1}{4}$ quarts of water with $\frac{1}{4}$ pound of coffee; with these quantities you make 1 quart of coffee; add to it $\frac{1}{4}$ pound of sugar; then pour this liquid into the ice freezing machine until it becomes granulated; then add 1 pint of whipped cream which has been previously sweetened and vanilled; then keep in the ice freezing machine until you are ready to serve.

coffee of the greatest coffee merchants, arrangements have been made to supply it at all the summer resorts. Either city grocers will deliver or you can secure it from local grocers at any of the summer resorts in Maine, New Hampshire, Vermont, Massachusetts, Rhode Island, Connecticut, Long Island and New Jersey.

Every facility for

quick deliveries has been taken advantage of, so that even in the Northern part of Maine, Yuban fresh roasted, with its remarkable aroma, will reach you unimpaired.

Have you tasted it?
