

\$35.00 Is The Astonishing Price For This Secretary

It is another in the series of extraordinary Hathaway Specials which have attracted so much attention. Now and then, but only at rare intervals, unusual circumstances permit us to announce such an event.

This Secretary is a practical piece and meant for use. Its drawer-space, book-space and writing bed are liberal in size; its interior conveniently arranged. Its style is the quaint Queen Anne. It is Mahogany.

We have fifty ready for delivery at \$35.00 each.

RICE PUDDING

People are asked to eat RICE PUDDING served in various ways, but there is only one right way in which to make rice pudding. That way is understood by the HOTEL BELLECLAIRE chef. A lady guest came to the manager's office the other day and expressed her disappointment because her favorite dish—RICE PUDDING—had not been mentioned in our advertisements. She said: "Your Rice Pudding is quite the best thing you serve. Tell the people about it. Thousands of people, like myself, enjoy good rice pudding."
