Bohn Refrigerators

"Syphon" "Sanitor" "Icyco" And All-Metal "Ideal"

All Manufactured by Us and Sold With Our Guarantee, at Prices Which Cannot Be Equaled, Ranging From \$16.75 Up

Discounts in some cases are 40% from regular list prices. This most unusual opportunity to secure a Bohn Refrigerator at a very low price is offered for a short time only, and probably never will be offered again.

Every Bohn Refrigerator is built up to a standard. The Bohn system of construction and insulation is recognized throughout the world as in a class by itself.

Because of the principle upon which it is constructed, the Bohn Syphon Refrigerator not only keeps the food very cold and absolutely dry and pure, but there is less ice than any other Refrigerator ever built. This is an important factor, for it means that with the usual high price of ice every summer the actual saving in ice will in time pay for the Refrigerator itself.

On a small deposit we will hold any Refrigerator for future delivery. Act quickly!

ESTABLISHED 1857

Women say La-may stays on better than any other face powder.

Up to the present time it has been almost impossible to get a face powder to stay on the face longer than it takes to put it on. You powder your nose nicely and the first gust of wind or the first puff of your handkerchief and away goes the powder, leaving your nose shiny and conspicuous, probably just at the very moment when you would give anything to appear at your best. A specialist has at last perfected a pure powder that really stays on; that stays on until you wash it off. It does not contain white lead or starch; no powder to make it stay on. This improved formula contains a medicinal powder doctors prescribe to improve the complexion. In fact this powder

helps to prevent and reduce enlarged pores and irritation. It is also astringent, discouraging flabbiness, crows' feet and wrinkles. This unusual powder is called La-may (French, Pouvoir L'Amé). Because La-may is pure and because it stays on so well it is already used by over a million American women. All dealers carry the large sixty-cent box, and many dealers also carry the generous thirty-cent size. When you use this harmless powder and see how beautifully it improves your complexion you will understand why La-may so quickly became the most popular beauty powder sold in New York. We will give you five thousand dollars if you can buy a better face powder anywhere at any price. Harriet, Roystone, 10 East 18th St., New York.
