

BUSINESS MEN TO HAVE CAPITAL HOME

U. S. Chamber of Commerce Building to Cost \$2,750,000.

Special to THE SUN AND NEW YORK HERALD. WASHINGTON, April 24.—Special interest attaches to the annual meeting of the United States Chamber of Commerce on April 27 in Atlantic City because of the plans to erect here a splendid home for the chamber and to enter actively into a campaign of education and defense in the interest of the commerce of this country.

This new home will be a workshop and conference headquarters for American business men. The site was that of Daniel Webster's old home, within a few steps of the White House, at Connecticut avenue and H street. The building will cost about \$2,750,000 and \$1,000,000 has been raised so far outside of New York city. Cass Gilbert is the architect.

The building will be erected as the result of sentiment which has been growing for years that business men and business organizations deserved to be as well represented and as well housed at Washington as labor or agriculture, and that the time had passed for "carpet bag" representation of American business in Washington.

On the New York building committee are Alfred Marling, president of the New York Chamber of Commerce; A. C. Bedford, Lewis E. Pierson, J. S. Alexander, August Belmont, William C. Brewster, Joseph P. Morgan, John H. Flower, Adolph L. Weisbach, W. A. Marble, E. H. Overbridge, James H. Post, William H. Gemick, Mortimer L. Schiff, Harry F. Sinclair, James A. Stillman, Henry R. Towne and John T. Underwood. Chairman A. Wheeler of Chicago is national secretary of the building committee.

"DRYS" ARREST TWO AT CONEY. Louis Stauch, Dance Hall Owner, Held in Jail.

Prohibition enforcement agents, inspecting Coney Island last night, arrested Louis Stauch, proprietor of

Stauch's dance hall and restaurant, and took him with one of his waiters to the Coney Island station house on a charge of violating the Volstead act. Mr. Stauch was released in \$500 bail after United States Commissioner McGoldrick had authorized such action. The waiter, Emanuel Rosenthal, also was admitted to bail.

According to the Federal operative, Rosenthal served them liquor from a bottle which he took from his hip pocket. They said they paid \$5 for a half pint of the liquor. More than 2,000 persons were in the restaurant when the arrests were made.

DO-IT-ALL TRACTOR. IT'S LEVEL WHEN PLOWING. IT PLOWS A TEN INCH FURROW.

"DO IT ALL" Tractors with adjustable built wheels are the year's agricultural sensation, and the new hitch is just as unique in its construction as the adjustable wheels and means just as much for perfect operation. In fact, the "DO IT ALL" Tractor has many small tractors. Bear in mind it not only hauls all kinds of loads, it has a 6-hp. motor for work, it weighs approximately 1,000 pounds, it pulls your hay mower and your lawn mower, and it not only makes farm work easier but gives you more and better crops and saves money. You will soon say buy a "DO IT ALL" Tractor, you gain nothing by delay. The valuable points on the "DO IT ALL" can be secured by asking for catalog "S," free on request, please you under no obligation.
