"TIZ" FOR SORE TIRED FEET—AH!
 "Tiz" is grand for aching, swollen, tender, calloused feet or corns.

Ah! what relief. No more tired feet; no more burning feet; no more swollen, aching, tender, sweaty feet. No more soreness in corns, callused bunions.
 No matter what ails your feet or what under the sun you've tried without getting relief, just use "Tiz." "Tiz" is the only remedy that draws out all the poisonous exudations which puff up the feet. "Tiz" cures your foot trouble so you'll never limp or draw to your face in pain. Your shoes won't seem tight and your feet will never ache or get sore and swollen. Think of it, no more foot misery, no more agony from corns, calluses or bunions.
 Get a box at any drug store or department store and get instant relief. Wear smaller shoes. Just once try "Tiz." Get a whole year's foot comfort for a few cents. Think of it—Adv.

COMB SAGE TEA INTO GRAY HAIR
 Darkens Beautifully and Restores Its Natural Color and Lustre at Once.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients. A large bottle, at little cost, at drug stores, known as "Weyth's Sage and Sulphur Compound," thus avoiding a lot of fuss.
 While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Weyth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.

15 (9x12) Chinese Rugs

Handsome Shirvan Rugs
\$65.00
 Average size 3.6x5.6—just the size for an appropriate gift. You can always distinguish a genuine Shirvan because it is geometrical in design; is closely woven, and has a low pile; colors are mostly tans and blues.

50 Mosul Rugs
\$67.50
 Average size 3.6x6.0—The two characteristics which identify these popular rugs are the soft, flocky nature of the pile, and a marked tendency to the use of yellow and warm yellowish or brownish reds. Their finish is glossy and designs are unique.
