Conditions on Which We Undertook Enterprise.

WE named but two conditions for our service— First every suit *must be all wool*, and Second—the retail price to you, Mr. Reader, must be less than *wholesale manufacturing cost* (which means at least 18% less than wholesale selling prices).

The drastic loss taken by the makers of these garments and the fact that we will not charge rent or selling costs against the distributing of these suits—permits us the notable privilege of presenting the most amazingly attractive Suit Values ever offered—*anywhere—anytime.*

Please, those of you who can, try and come to any of our conveniently located Upstairs Shops early in the day—or in the evening. We have prepared for an enormous response and we want to give our usual splendid service.
