## FRANCE WINS CLAIM IN BLACK TOM BLAST

\$122,566 Awarded by Jury; Britain Gets Nothing. A jury in the Supreme Court in Jersey City awarded \$122,566.22 to the President of the Republic of France yesterday in his action against the Lehigh Valley Railroad for damages suffered by his Government in the Black Tom explosion in 1915. But the King of Great Britain and Ireland, whose action for alleged similar damages was coupled with those of the French Government and the Astra Explosives Company, received nothing. The powder company lost its case also. The British claim was for \$1,024,668 and the Astra Explosives Company's was for \$119,624. The French demanded \$2,500,000.

This is Anniversary Month in the Men's Shop. Special values are offered to celebrate the success of the past year.

## HAVE DARK HAIR AND LOOK YOUNG

Nobody Can Tell When You Darken Gray, Faded Hair With Sage Tea.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair looked that dull, faded or streaked appearance, this wonderful mixture was applied with wonderful effect. By making at any drug store for "Witch's Sage and Sulphur Compound" you will get a large bottle of this old-time recipe. Improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair. A well-known downtown druggist says everybody uses Witch's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. It's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful.—Adv.
