Salvage Made to Surrender Two French Vessels—Progress of the Revolution.

HAVANA, Jan. 31, 1899. The following news has been received from Port-au-Prince:

The Haytian steamer Salvane, seized two French vessels in the harbor of St. Marc, for running the blockade. The French admiral hearing of the affair, compelled the government to surrender the vessels. He declared that the blockade of the Haytian coast was ineffective; that the occasional calling of a man-of-war at port was not sufficient to establish a state of blockade; and that Hayti had no right to seize foreign vessels running into ports the blockade of which it could not maintain.

The report of the capture of Aux Cayes, by the forces of Salvane, is not confirmed; but it is believed that Aux Cayes, Jacmel and Jeremie and other towns on the Southern coast will soon be obliged to surrender.

The condition of affairs in the northern district of Hayti is unchanged.
