

CONGRESS. The Discussion in the Senate on Missouri Politics.

Senator Drake's Reply to Senator Schurz.

THE REPUBLICAN PARTY BETRAYED. Responsibility for the Interference of the President.

The Farewell of Mr. Drake to the Senate.

Boston Opposition to the Purchase of St. Domingo.

BUSINESS IN THE HOUSE.

NEW YORK. A NEW PARTY. He understood his colleague's position to be that, while the republican party was dead in trespass and sin, it yet contained the elements of regeneration of a new party.

THE VICE PRESIDENT laid before the Senate a Communication from Mr. Drake saying that he had, on the 13th inst., transmitted to the Governor of Missouri his resignation as a member of the Senate, to take effect on the 19th inst.

POOLISH VIRGINS OF BOSTON. Mr. SCHURZ presented a memorial from William F. Wells, Governor of Boston, adverse to the proposed annexation of St. Domingo, setting forth their belief that the same would be a great calamity to this country, leading to great frauds and corruption, and probably to a war with the French part of the island, which could only be avoided by the subsequent purchase of that part, the government of which would involve a large annual expenditure without any compensating results, the effect of which would be a widespread belief that the war was an income.

THE INCOME TAX. Mr. SHERMAN, from the Finance Committee, reported back adversely the various bills for the abolition of the income tax. Upon his report the Senate passed a resolution, to the effect that the same was kept up for the purchase of foreign territory. Referred to the Committee on Foreign Relations.

Determined scheme to give the State to the democracy, the ostensible cause of the controversy arising from the determination of the minority to be an ultra-republican.

Quoting from the can agit speeches of the liberal candidate for Governor, Gray Brown, to show his animosity to the republican cause, the speaker dismissed the subject with the remark, "He has gone to the democracy, and may the Lord have mercy on his soul."

THE PRESIDENCY. Plotting for the Succession in 1872.

General Grant and the Republican Party—Chances of the Democratic Leaders—Hoffman, Chase, Hendricks, Hancock and John Quincy Adams.

The President makers are very busily engaged here in discussing the probable nominees for the succession of 1872, and the promising horses are trotted out for public inspection, their strong points trotted upon and their weak ones critically examined.
