THE MONEY MARKET.

Little is to be added to the comments recently made in this column on the course of money. The prevailing rates of the week were 3 1/2 and 3 per cent on call loans.

THE FOREIGN MARKET.

The advance in the rate of the Bank of England above reference to was necessitated according to the popular theory by the withdrawal of gold to Germany.

RAILROAD BONDS.

Business in this department, without being brisk, was well sustained, and the older issues were sought with somewhat of former freedom.

GOVERNMENT BONDS.

were in good demand by permanent investors and the savings banks. No large amounts are offering, however.

THE CHINESE TRADE.

Treaty Between the Republic of Peru and the Emperor of China for the Regulation of the Traffic.

Peace and Fraternity and the Universal Rights of Man.

At last the serious question regarding the importation of coolie laborers appears to be in a fair way of settlement, as is shown by the subjoined extracts of a provisional treaty, subject to the approval of the Congress of Peru, which was signed in Tien-tsin on the 26th of June last, and was brought by a special messenger of the Peruvian legation in China, arriving here on the 26th inst.

At a republican convention held in Tremont Saturday afternoon, E. Y. Bell, of Yonkers, was nominated for Assemblyman from the First Assembly district. This district includes the two new wards of the city.

The inequality of salaries among the principal and other teachers in District School No. 6, of Yonkers, is again being agitated in that city. It appears that some of the trustees have decided to increase the teachers' wages to the amount of \$4,000; but the Committee on Schools in apportioning the money made a too equal division of it by dividing the money equally among the teachers.

STATEN ISLAND.

The balance of the debt contracted for building the new school house in District No. 3, Castleton, was paid off at the last meeting of the trustees. Mr. Henry Britton, the owner of real estate on both sides of the road, has a gang of laborers engaged in opening and grading Stenben street from the Richmond road to the Staten Island Railroad track at Clifton.

NEW JERSEY.

Martha Van Cleaf, colored, died in the Peach Orchard district of Freehold Monday last, aged one hundred and twenty years. She was a native of the Fire Department of Jersey City held their annual parade on Saturday, and presented a fine appearance. They were reviewed on Jersey avenue by Mayor Traphagen and the Fire Commissioners, after which they moved in procession through the principal streets of the city.

ALL HOPE GONE.

Underzoek Endeavouring to Save A. C. Goss. [Correspondence of the Baltimore American from West Chester, Pa., Oct. 17.] An interview with Underzoek of about one and a half hours in length was had yesterday by Mr. F. Stevens, of Baltimore, the counsel for A. Campbell Goss, being witnessed by Mr. Perdue and one of the prison authorities.

SUICIDE IN BROOKLYN.

Coroner Jones was notified yesterday to hold an inquest over the body of Henry Briskwick, an Englishman, sixty years of age, who committed suicide by hanging himself in a stable in the rear of his residence, on the corner of Kane and Cooper streets. Deceased had exhibited symptoms of insanity for several weeks past.
