

THE CANADIAN PILGRIMS.

THEIR DEPARTURE FOR EUROPE YESTERDAY ON THE INMAN STEAMER—PARTING BENEDECTION FROM HIS EMINENCE CARDINAL McCLOSKEY.

The Canadian pilgrims to Rome, who arrived in this city last Friday morning, left for Liverpool yesterday afternoon on the steamer City of Brussels. Previous to their departure a mass was celebrated at St. Patrick's Cathedral by Cardinal McCloskey.

The services were held at eight o'clock in the morning. An escort of ten policemen from the Fourteenth precinct station escorted the pilgrims from the St. Nicholas Hotel to the church. The pews on either side of the main aisle had been reserved for the pilgrims and their friends, the rest of the church being thrown open to the other worshippers.

During the mass all the pilgrims advanced to the altar railing and received communion from the hands of the Cardinal. At its conclusion His Eminence, assuming the mitre and crozier, took his seat on a throne to the left of the chancel. The address to the pilgrims was delivered by Vicar General Quinn.

At the conclusion of Father Quinn's address the Cardinal proceeded to the altar railing, facing the congregation, read the prayer of the Canon of the Mass, and usually said for those who are about to undertake a long voyage. He prefaced the reading of these prayers by the following remarks:

When you kneel at the shrine of the Apostle's tomb, or when offering prayers for those whom you have left behind, let me pray you to remember that you are undertaking a long voyage. He prefaced the reading of these prayers by the following remarks:—

At the conclusion of the services the pilgrims returned to the hotel, where breakfast awaited them. They followed the Cardinal to the steamer City of Brussels, and the pilgrims proceeded to the steamer City of Brussels, which was lying at pier 45 North River.

The vessel was decorated with flags from stem to stern. From the top of each of the three masts to the deck extended a line of flags, and the flags of the City of Brussels also floating in the breeze. From the poop was suspended the Papal flag, while at the fore was flying the flag of the steamer.

A CHILD LOST AT SIX YEARS OF AGE RESTORED TO HIS PARENTS A MAN OF TWENTY-TWO YEARS.

SIXTEEN years ago a deaf and dumb child strayed from his home at Fitchburg, Mass., and by the well meant but ill-directed attempts of many kind hearted persons to restore him to his home, resulted in the late reaching Jamaica, L.
