**I**DEALLY located in Buffalo's choicest residential section opposite Cazenovia Park, offers every advantage. Easily accessible to the city, yet far enough removed to insure the quiet so necessary to forming habits of study. The building is new, modern and equipped with every convenience to promote the health and comfort of the pupils.

The course embraces three departments: Primary, Intermediate and Academic.

The course of study in the primary and intermediate departments comprises eight years' work, as outlined by New York State Education Department, and the Academic Course prepares for entrance to Normal Schools and Colleges.

Three courses are offered: Classic, English and Commercial.

Lessons in Christian Doctrine, Church History and Vocal Music are required during the entire Academic Course.

Instructions are given on piano and violin; in painting—oil and water colors—china decoration and in plain sewing and artistic needlework.

While essentially a Roman Catholic School, pupils of all denominations are admitted, and while the discipline is directed towards all that makes for ideal womanhood, no influence, whatever, is brought to bear on one's religious opinions.
