

The Warmest Christmas Cheer for Your Boy in the Trenches

At the front, cut off from camp or far from the "come and get it" service of the travelling kitchen, Theroz will supply your boy with the means—anywhere or anytime—to heat or cook the emergency ration supplied by Uncle Sam.

—will give your boy in khaki the cheer of a hot Christmas dinner wherever he may be, and after the holiday goodies are gone Theroz will do its daily "bit" to give him many of the comforts of home. Theroz Fuel Cubes are about an inch square. By an absolutely new and patented process a liquid is converted into a solid cube (not a paste). Theroz cannot go liquid and spill, it cannot explode, it cannot be wasted since it is in units of a cube and it adds little weight to the soldier's kit. At the scratch of a match you have the full, intense heat—no waiting for anything to start. Theroz is "camouflage"—it burns absolutely without smoke, soot or odor to betray the soldier's presence.

What Theroz Fuel Cubes Will Do for the Soldier:

- Fry Small Steak or Fish.
- Fry Potatoes.
- Make Pancakes.
- Heat Can of Soup, Beans, etc.
- Cook Cereal and Eggs.
- Make Tea or Coffee.
- Fry Ham and Eggs.
- Heat Shaving Water.

Santa Claus is off for the trenches November 15th. Packages sent after that date will not reach the boys "over there" in time for Christmas.

You send the cubes—We will give the stove. Send your boy at least one can of Theroz Fuel Cubes and a Theroz Blue Flame Stove—then he will bless you three times a day.

We will go "fifty-fifty" with you in helping to make his Merry Christmas even merrier. If you will take advantage of the following Introductory Offer:

Belleclair food is so good and so tastily cooked that it is very nourishing. One does not need to eat so much of it to satisfy his appetite. We charge a good price for our food because we pay the highest price for the best food. Also we believe it to be good and safe business to realize a profit. But we do not overcharge. We will not, however, lower the quality of the food we serve or permit careless cooking to meet lower price competition. No, we have been too long building a reputation for serving good things to eat to lower our colors now. We will always treat our customers fairly, but the food has got to be right even if the cost is higher.
