

Where Will You Stand On The Day of Victory?

THERE will come a day when the news of VICTORY will thrill the world, and linked with that VICTORY will be the immortal glory of the American people.

There will come a day when our conquering army and navy will come home to us, and that will be the proudest day in the long calendar of American achievement.

Upon that day all America will be divided into two classes. The first class will include those who gave their sons, or lent their dollars, freely and unselfishly, for their country, and for the flag, to establish it as the emblem of freedom and justice for all mankind.

*Where will you stand
on that day of
VICTORY*

?

*You can choose now
---you cannot choose
then.*
