THREE KILLED IN AUTO MOBILE SWEEPSTAKES

Lecocq and Bandini, Mechanician, Burned to Death at Indianapolis.

THURMAN IS CRUSHED

More Than 125,000 Persons See Wilcox Drive Peugeot to Victory.

INDIANAPOLIS, May 31.—Howdy Wilcox drove to victory in the Liberty Sweepstakes, the 500 mile automobile classic, over the big brick track today and Death rode in his wake. The Grim Reaper cast a dismal shadow over as brilliant and thrilling a motor race as ever had the hearts of 125,000 spectators in their mouths.

Louis Lecocq and his mechanic, Robert Bandini, were burned to death when their car overturned and went up in a crimson and black flare of burning gasoline.

Mrs. Thurman, young widow of Arthur Thurman of Newark, N. J., swooned in the grand stand when she saw her husband instantly killed when his car overturned on the track.

John Chasagne, who relieved Paul Bablot of the Ballot team, narrowly escaped death when his machine dashed into a retaining wall and hurled the two occupants of the car into the air.

The speed maintained up to the 275 mile point was the greatest in the history of the Sweepstakes. It averaged to that point \$1.54 miles an hour.

Wilcox has won in every 500 mile race held at the Indianapolis Speedway. It was his first victory, however.

The race was one of the most sensational ever held here. Broken steering knuckles, the loss of wheels, two cars overturning without serious injury and the loss of exhaust pipes kept the crowd on edge from start to finish.

At no time was the field strung out more than two miles separating the winner and the second man. The remainder of the field was proportionately bunched.

Clifford Durant, in a Chevrolet, was first to go to the pit because of a loose hood. Ora Haibe stopped in the tenth lap to replace a spark plug.

Ralph De Palma led at the end of twenty laps (10 miles), with Wilcox second; Thomas, third; Tott, fourth; L. Wagner, fifth; Cooper, sixth; L. Chevrolet, seventh; Brown, eighth; Guyot, ninth; and Milford, tenth. Time, 32:33.45. Average, 52.14.

This is a new record for fifty miles on the Indianapolis track. De Palma is still leading; Rene Thomas, second; and Bablot third. De Palma's time was 48:39.35, an average of 32.12 miles an hour, which is a new track record for the distance.

Joe Boyer's Frontenac lost left rear wheel in front of the grandstands in the thirtieth lap and Boyer drove to the pit on a hub. He was permanently out of the race.

Stilla Leads at 100 Miles. Ralph De Palma led at the end of twenty laps (10 miles), with Wilcox second; Thomas, third; Tott, fourth; L. Wagner, fifth; Cooper, sixth; L. Chevrolet, seventh; Brown, eighth; Guyot, ninth; and Milford, tenth. Time, 32:33.45. Average, 52.14.

De Palma led at 100 miles. Bablot, second; L. Chevrolet, third; G. Chevrolet, fourth; Guyot, fifth; L. Wagner, sixth; Cooper, seventh; Milford, eighth; O'Donnell, ninth; Wilcox, tenth. Time was 1:04:43.9. Average, 32.76.

This also is a new track record for the distance, the previous record being 58.8 miles an hour, made by Heata in a Peugeot in 1916.

De Palma led at 100 miles. Bablot, second; L. Chevrolet, third; G. Chevrolet, fourth; Guyot, fifth; L. Wagner, sixth; Cooper, seventh; Milford, eighth; O'Donnell, ninth; Wilcox, tenth. Time was 1:04:43.9. Average, 32.76.

Princeton Triumphs Over Yale Nine in 11th

Three Singles in Succession Cause Downfall of Elis in Stirring Game by 1 to 0—Victors Play Errorless Ball.

Princeton looked very dangerous in the fifth. Keys walked and was sacrificed to second by Stedler. Harvey was hit by Robinson and Baughan hit a hot grounder between third and short, which Prann managed to knock down and throw over to first ahead of the Tiger runner.

The next play was a grounder to Diamond at first, who put out Margetta. The Yale first sacker showed to real advantage in the field several times, playing in a position of professional style and turning bad throws into as a hit.

It was a heart-breaking game for the Elis, especially for Dean Robinson, he having dropped a thirteen inning game the day before to Fordham. The Blue team was all on edge to come out on top today.

A crowd of about 5,000 saw the game here this year. The score: PRINCETON 1, YALE 0.

The Tigers played errorless ball. Strubling in centre contributed some wonderful catches and Boyd in left field for Yale turned in some fine plays.

In the first half of the second flyball was safe on Prann's error and stole second. He reached third on Keys's sacrifice, but on an attempted squeeze play over Margetta, Princeton's pitcher, Edler at bat having failed to hit the ball.

Until the eleventh Robinson seemed to have the edge in the pitching department over Margetta, Princeton's pitcher. Both twirlers struck out three men and Robinson allowed but one pass while Margetta was walking four.

DODGERS OBTAIN STAR COLLEGE RICHBOURG. University of Florida Infielder, Signs Contract.

Charles Ebbebs, president of the Brooklyn Nationals, announced last night that Lance Richbourg, the crack third baseman of the University of Florida team, had been signed to a Brooklyn contract.

The news that Richbourg had signed with the Brooklyn comes as quite a surprise to local fans as it was understood that the player already had accepted terms with the Giants and was to report to New York at the completion of his college year.

Richbourg, who is one of the best infielders in the college ranks, North or South, made a favorable impression on Manager McGraw of New York while the Giants were training at Gainesville last spring.

Ebbebs yesterday denied that Richbourg had accepted terms with New York. He said the bright collegian is now the property of his club and that Manager Robinson believes he has the making of a sensational infielder.

Ebbebs also announced that Outfielder Allen of the University of Georgia has been signed with the Brooklyn club. He has a reputation as a hitter. Allen will join the Brooklyn in Pittsburgh about June 10.

Pitcher Atkinson of the Maryland Agricultural College, who signed with Brooklyn a few days ago, will report to Manager Robinson at Ebbets Field today.

LECOQC IN OTHER AUTO ACCIDENTS Escaped Death in Several Auto Races.

LOS ANGELES, May 31.—Louis Lecocq, who died in a crash when his mechanic, Robert Bandini, when their car caught fire today in the automobile race at Indianapolis, was born in Des Moines, Iowa, twenty-six years ago, and began automobile racing in Elgin, Ill., in 1914.

The car he was driving in the Ascot Park race here today, May 17, 1918, overturned and he was slightly injured, and he had several other narrow escapes from death. Lecocq took third place in the 1919 Santa Monica road race.

Bandini was born here twenty-one years ago and began racing March 17, 1918, acting as mechanic for Brent Hoscoe. He later was mechanic for Hoscoe's car in the closing match of the local season, each winning two matches in singles and one in doubles.

Annapolis Bali Team Triumphs by 10 to 6 in 11 Inning Contest.

NAVY IS HARD FOUGHT Cloughley's Home Run With Two on Bases Clinches Victory.

Special Dispatch to The Sun. WEST POINT, N. Y., May 31.—The Annapolis Bali team triumphed in its annual battles with the Army men this evening. It took the men from Annapolis eleven innings to throw the line to death, but they did it in most convincing fashion and triumphed by a score of 10 to 6.

It was in the eighth that the West Pointers by 16 to 5, and Army supremacy on the diamond had become a thing to be taken for granted. In 1917 and 1918 because of the war the annual contest had to be called off and the hoodoo evidently went into a decline for want of nourishment.

But when the service teams went at each other on the plains this afternoon, past performance this season went into the discard. The Army nine found itself in a tight spot when Cloughley's home run in the seventh inning put the Navy in a hole.
