7240 OVERCOATS!

The facts are these: At the close of our biggest year we are overstocked with Overcoats. We could easily dispose of these garments to our wholesale customers—but, instead, we're going to sell them right here—in our four second-floor shops. Frankly, we want to make more friends in New York. Our entire Overcoat stock is radically reduced into four groups. The prices actually are lower than what you can buy to-day at wholesale.
