

THE USURY BILL.

The following is the usury act as passed by the Legislature and approved by the Governor...

Sec. 1. Be it enacted, &c., That the lawful rate of interest for the loan or use of money in all cases where no express contract shall have been made for a less rate shall be six per cent per annum as heretofore, and the first and second sections of the act passed 2d March, 1823, entitled "an act to reduce the interest of money from eight to six per cent per annum," (Purdon, 451, Sec 1 and 2,) be and the same is hereby repealed.

Sec. 2. That when a rate of interest for the loan or use of money exceeding that established by law shall have been reserved or contracted for, the borrower or debtor, shall not be required to pay the creditor the excess over the legal rate, and it shall be lawful for such borrower or debtor at his option to retain and deduct such excess from the amount of any such debt, and in all cases where any borrower or debtor shall heretofore or hereafter have voluntarily paid the whole debt or sum loaned, together with interest exceeding the lawful rate, no action to recover back any such excess shall be sustained in any court of this Commonwealth, unless the same shall have been commenced within six months from and after the time of such payment.

The English Admiral has discovered that Canton is situated on an island, one of the gun boats having just made a passage around it. It is somewhat singular that this fact never was known before, and only goes to show how jealous these people are of giving any information of the internal affairs or formation of the country.

ANOTHER VICTORY.—York is a county which adjoins Lancaster, and has always been democratic, and the borough of York gave Buchanan 453 majority. In the light of that fact read the following: "The Peoples' Tickets at York, (Pa.) Victorious.—At the election for town officers at York, Pa., on Saturday last, the Democrats were defeated, and the Peoples' ticket was elected by 196 majority. The vote was the largest ever polled. The Peoples' ticket gained in the contest, nearly three hundred votes over the last election."

MUNICIPAL ELECTION AT INDIANAPOLIS. INDIANAPOLIS, May 5.—The municipal election yesterday resulted in the success of the entire R. publican ticket, by from two to three hundred majority. Five out of seven councilmen were also elected by the Republican.

THE DECEASE OF SENATOR EVANS.—Washington, May 7.—Senator Evans, after attending the session of the Senate, yesterday, had dined with his colleagues, Mr. Hamman, and left for home about ten o'clock, apparently enjoying his usual good health. He was attacked with disease of the heart, or apoplexy, shortly after reaching his lodgings, and died in a short time after. He was seventy-one years of age.

The Louisville Courier says the English bill offers "no middle ground to stand upon. It is a straight out Southern document. Those who have anything to do with it must either be Northern or Southern men."

Sarah Conrad recovered \$400 for breach of marriage contract, in the Harrison county, (Ind.) court, from Thos. Jones, an unfaithful swain. The tender, or tough couple as the case may be, are each 55 years old.

Why are the United States' colors like the stars of heaven? Because they are beyond the power of any nation to pull them down.

The central Democratic organ of Illinois styles the Buchanan men of that State "a set of rascals, striving to disorganize the Democratic party of Illinois."

THE MARKETS.

BALTIMORE, May 11. FLOUR.—There was some little inquiry this morning for Flour. We heard on 'Change of sales of 150 bbls. Howard Street and 100 bbls. Ohio Super at \$1.37 1/2, 300 bbls. The Flour market continues inactive. 1000 bbls. superfine sold for export at \$4 50 per barrel, at which figure it is freely offered.—There is a steady demand for home consumption from \$4 50 to \$4 62 1/2 for common and good brands; \$4 75 to \$5 for extra, and \$5 25 a \$6 50 for extra family and fancy brands.—Rye Flour and Corn Meal come in slowly, but there is very little demand for either. We quote at \$3 25 per barrel.

GRAIN.—There is but little demand for Wheat, Sales of 1400 bushels Southern and Penna. at \$1 10 1/2 per bushels, for good Red, and \$1 23 1/2 for White Rye is worth 68c. DR. SANFORD'S INVIGORATOR, OR LIVER REMEDY.

THIS IS ONE OF THE GREATEST SCIENTIFIC medical discoveries ever made, and is daily working cures almost too great to believe. It cures as if by magic, even the first dose giving benefit and seldom more than one bottle is required to cure any kind of Liver Complaint, from the worst Jaundice or Dyspepsia to a common headache, all of which are the result of a Diseased Liver.

The liver is one of the principal regulators of the human body, and when it performs its functions well, the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions. When the stomach, at fault, the bowels are at fault, and the whole system suffers in consequence of one organ—the Liver—having ceased to do its duty. For the diseases of that organ, one of the proprietors has made his study, in a practice of more than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with Liver Complaint in any of its forms, has but to try a bottle, and conviction is certain.

A compound has been formed by dissolving gums and extracting that part which is soluble for the active virtues of the medicine. These gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the causes of the disease, and effecting a radical cure without any of the disagreeable after effects, felt by using Calomel or Mineral Poison, that are usually resorted to.

To all who will follow these directions a cure is positively guaranteed. SICK HEADACHE can be cured by the use of two tea-spoonsful of such as soon as the attack is felt.

The Invigorator never fails to cure sour stomach or the bad effects experienced after eating. Bileous attacks yield readily to one bottle, and Chronic Diarrhea, difficult as it is to cure, is never troublesome to those who take the Invigorator.

For Dyspepsia or Jaundice, nothing is known to act so fully or cures so quickly as the Invigorator. It removes all yellowness and unnatural color from the skin.

For Night Mare, take a dose before retiring, and it is warranted a sure preventative.

For Female Obstructions it is a safe and sure remedy, as it removes the cause of the disease. Costiveness cannot exist where the Invigorator is used, when Cholice yields readily to a few

It must be known that all these are Liver diseases, or caused by a diseased Liver, and to cure them needs a Liver medicine and one of great power. The Invigorator is such a medicine it has medicinal powers, never before discovered, that will cure all diseases of the Liver, no matter how long standing, or what may be their form. The medicinal virtues extracted from the gums used is such as to astonish to all who see their effects, for none can use the medicine without feeling benefit. It acts as a gentle Cathartic, and should always be taken in sufficient quantities to operate on the bowels gently. The best way to take it is to take the "medicine" in the mouth, mix it with some water and swallow both together. In this way the medicine will scarcely be tasted.
