

Old Reliable Drug Store.

Owing to the very liberal patronage I have had from our people and in view of the hard times I will until MAY 1st, reduce the price of Physicians Prescriptions as follows, viz:

- All 1 oz. mixtures, regular price, 20 to 15
- All 2 oz. mixtures, regular price, 25 to 19
- All 3 oz. mixtures, regular price, 35 to 25
- All 4 oz. mixtures, regular price, 45 to 30
- All 6 oz. mixtures, regular price, 65 to 50
- All 8 oz. mixtures, regular price, 85 to 65

And a corresponding reduction on all packages of Powders, Pills, Ointments. Also liberal discount on all Patent Medicines, Baby Foods, Perfumes, Toilet and Fancy Articles and extra liberal discount on Fountain Syringes, Hot Water Bottles, Atomizers and Nursing Bottles.

I will guarantee my goods to be strictly fresh and equal to any goods in the market.

Thirty years experience in the town of Emporium is sufficient evidence of competency. If you wish to avail yourself of the liberal offer, leave your Physician's Prescriptions and drug trade in general at the OLD RELIABLE DRUG STORE.

Brother Olson, of the McKean Miner, feels terribly bad because the PRESS clipped a personal item from his journal and failed to give the proper credit until the following week, whereupon Brother Lindsley of the Democrat suggests that our handsome friend have his effusions patented. We plead guilty Bro. Olson on one point and can only account for the omission from the fact that we had been reading your cruel (?) thrusts at Matt. Quay and thought how bad he must feel.

One of our young men was going to the city the other day, and his dad gave him the following advice: "When you go to the city, gawk, look at the signs and read them. That's what they are there for. If you see something that interests you, go up and stare at it as long as you please. That's your privilege. If you want to ask questions about such things, ask them. A tongue that makes a practice of asking questions has more wisdom than one that practices answering them. If you hear anything that pleases you stop and listen. Or, in other words—don't be ashamed of being a rubber neck. The eyes, ears, nose and other senses were intended to make a man rubberneck. The mug that hasn't enough inquisitiveness to rubberneck will never cut any ice in this world."—Ex.

The Sun Cholera Cure.

Take equal parts of tincture of opium, tincture of rhubarb, tincture of cayenne, spirits of camphor, essence of peppermint. Mix well together. Dose—Fifteen to thirty drops in water, to be repeated in fifteen or twenty minutes if necessary.

This is the original formula for the New York Sun cholera cure. It was given to the Sun in the cholera year, 1849, by George W. Busted, then and now a practicing pharmacist in this city, says that paper. It was published daily in the Sun during the summer of that year. It was published at intervals for several years, and again daily during the cholera years, 1855-56, and has been printed in the Sun probably 1,000 times since it first appeared.

The Sun cholera cure has been adopted into the United States pharmacopoeia, and is a medicine approved and valued by every man in the country.

Discovered by a Woman.

Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She finally discovered a way to recovery by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose that she slept all night; and with two bottles has been absolutely cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hannick & Co., of Shelby, N. C. Trial bottles free at L. Taggart's drug store. Regular size 50c and \$1.00. Every bottle guaranteed.

MOTHER! There is no word so full of meaning and about which such tender and holy recollections cluster as that of "MOTHER"—she who watched over our helpless infancy and guided our first tottering step. Yet the life of every Expectant Mother is beset with danger and all effort should be made to avoid it.

Mother's Friend

so assists nature in the change taking place that the Expectant Mother is enabled to look forward without dread, suffering or gloomy forebodings, to the hour when she experiences the joy of Motherhood. Its use insures safety to the lives of both Mother and Child, and she is found stronger after than before confinement—in short, it "makes Childbirth natural and easy," as so many have said. Don't be persuaded to use anything but

MOTHER'S FRIEND

"My wife suffered more in ten minutes with either of her other two children than she did altogether with her last, having previously used four bottles of 'Mother's Friend.' It is a blessing to any one expecting to become a MOTHER," says a customer. HENDERSON DALE, Carmi, Illinois.
