I am very pleased to state that since I took the agency of Chamberlain's medicines the sale has been very large, more especially of the Cough Remedy. In two years I have sold more of this particular remedy than of all other makes for the previous five years. As to its efficacy, I have been informed by scores of persons of the good results they have received from it, and know its value from the use of it in my own household. It is so pleasant to take that we have to place the bottle beyond the reach of the children.

You are certain to be relieved than pleased with the prompt relief which it affords. Pain Balm is also a certain cure for rheumatism. For sale by L. Taggart Nov.

Coal is dearer in South Africa than in any other part of the world. It is cheapest in China.

The sooner a cough or cold is cured without harm to the sufferer the better. Lingered colds are dangerous, a hacking cough is distressing. One minute Cough Cure quickly cures it. Why suffer when such a cough cure is within reach? It is pleasant to the taste.

Sympathetic Husbands.

The sympathetic tenderness of a loving husband is everything to an expectant mother, especially during her first ordeal. George Layton, Esq., a prominent druggist of Dayton, O., gives the following case:

A customer of mine, whose wife has used four bottles of "Mother's Friend" before confinement, says, after seeing the effects of the remedy, that if she had not gone through the ordeal again, and there were but four bottles on the market, and the cost was \$100 per bottle, she would have them.

"Mother's Friend" is a scientifically compounded liniment which affords certain relief in the various ailments preceding childbirth, and assures proper elasticity to the cords and muscles involved in the final ordeal.
