On motion, the Convention proceeded to the nomination of a County Ticket, when Hon. John P. Linton was nominated for Assembly by acclamation.

The names of Messrs. John A. Blair, of Edensburg, Jas. B. M'Creight, of Johnstown, and John Porter, of Washington township, were then offered in connection with the office of Sheriff, and on the first ballot Mr. Blair was chosen as the nominee, the vote being as follows: Blair 37, M'Creight 19, Porter 13.

The next in order was the selection of a candidate for County Treasurer, for which office Joseph M'Donald and H. Kinkhead, of Edensburg, Michael M'Colgan, of Wilmore, and John Cox, of Conemaugh borough, were named. Three ballots were taken before a choice was made, the vote standing:

First Ballot. Jos. M'Donald, 11; Mich'l M'Colgan, 17; H. Kinkhead, 16; John Cox, 23.

The name of Joseph M'Donald was withdrawn, and the Convention proceeded to the

Second Ballot. H. Kinkhead, 13; Mich'l M'Colgan, 24; John Cox, 42.

There still being no choice a third ballot was ordered, with the following result:

Third Ballot. H. Kinkhead, 5; Mich'l M'Colgan, 24; John Cox, 40.

Mr. Cox was thereupon declared the nominee of the Convention for County Treasurer.

The nomination for Co. Commissioner being next on the list, John A. Kennedy, of Carroll, Jos. Criste, of Washington, Francis O'Friel, of Loretto, Simon P. Dunmyer, of Jackson, Ed. M'Glade, of Summerhill, W. A. Makin, of Blacklick, and Wm. J. Williams and Fred Kittell, of Edensburg, were proposed as suitable incumbents for that position, and the Convention proceeded to ballot, with the result given below:

First Ballot. Jno. A. Kennedy, 27; Wm. J. Williams, 5; Joseph Criste, 2; Edw. M'Glade, 6; Francis O'Friel, 19; W. A. Makin, 4; S. P. Dunmyer, 7; Fred Kittell, 1.

The names of Messrs. M'Glade, Makin and Kittell being withdrawn, the delegates were again called and their votes footed up thus on the

Second Ballot. Kennedy, 34; O'Friel, 23; Criste, 1; Dunmyer, 7; Williams, 4.

No decision having yet been arrived at, Messrs. Criste, Dunmyer and Williams were withdrawn from the contest, and the Convention then proceeded to the

Third Ballot. Kennedy, 39; O'Friel, 30.

Mr. Kennedy having received the highest number of votes, was announced as the candidate for County Commissioner, after which the delegates were called on to propose the names of one or more suitable persons from whom to select a candidate for Jury Commissioner. In this connection, R. J. Lloyd and George Gurley, of Edensburg, John Bearer, of Susquehanna, Geo. Walters, of White, and John Buck, of Carrolltown, were named and voted for as follows:

First Ballot. Lloyd, 4; Bearer, 7; Gurley, 19; Walters, 11; Buck, 23.

No choice, and the names of Messrs. Lloyd and Bearer being erased from the tally list, the following was the result on

Second Ballot. Gurley, 16; Walters, 19; Buck, 27.

Being still undecided, the name of Mr. Gurley was withdrawn, and a third ballot being ordered the result was:

Third Ballot. Walters, 21; Buck, 42.

Mr. Buck was thereupon declared the nominee for Jury Commissioner.

Christian Snyder, of Jackson, Henry Walters, Wm. P. Patton and George W. Osborne, of Johnstown, H. O'Hara, of Munster, and John D. Thomas and Isaac Crawford, of Edensburg, were then presented for the suffrage of the Convention for the position of Poor House Director.

The names of the delegates were then called and their votes recorded on

First Ballot. Snyder, 15; Patton, 24; Walters, 7; Thomas, 8; O'Hara, 9; Osborne, 1; Crawford, 2.

The names of Messrs. Patton, Osborne and Crawford were then withdrawn, and on

Second Ballot. Snyder had 17; O'Hara had 8; Walters had 9; Thomas had 32.

No one of the gentlemen named having a majority of all the votes cast, another ballot was entered into, after the withdrawal of Mr. O'Hara's name, and the following was given as the result:

Third Ballot. Snyder, 28; Walters, 3; Thomas, 37.

The name of John D. Thomas was accordingly announced as candidate for Poor House Director.

The nominations for Auditors and Coroner were then made by acclamation, E. D. Evans, of Croyle, being chosen for Auditor for the term of three years, John F. Allen, of Yoder, for one year, and J. A. Harrold, of Johnstown, for Coroner.

The names of Capt. H. D. Woodruff and James Potts, Esq., of Johnstown, and Philip Collins, Esq., of Edensburg, were then suggested for Delegate to the State Convention, and on the first ballot Woodruff received 22 votes, Potts 15, and Collins 23. Mr. Potts then withdrew his name, and on second ballot Mr. Woodruff was chosen Delegate, the vote standing: Woodruff 30, Collins 23.

Messrs. James Potts, of Johnstown, Isaac Wike, of Wilmore, and M. M. Adams, of Washington township, were selected Conferees by acclamation, and R. L. Johnston, Esq., of Edensburg, was chosen in like manner Chairman of the Democratic County Committee.

After suggesting the name of one person from each district as member of the County Committee, the Convention ad-

joined, after a most pleasant and harmonious session of four hours duration, and after placing in nomination a ticket in every way worthy the confidence and support of the Democracy of Cambria county.

Radical organ claim credit for Judge Williams because he studied law with that distinguished "copperhead," Judge Lowry. To make anything out of any of their candidates the Rads are always compelled to hunt up Democratic roots.

A raft passed Memphis, Tennessee, last week, which would, if placed on dry land, cover over one and a half acres of ground. It was composed of 527 tiers, averaging each 50 feet, and containing in all about 1,400,000 square feet of finely seasoned cypress.

The Philadelphia Ledger says: One Col. Schumaker has just died in the lunatic asylum, who is reported to have first discovered coal in this State in 1811. The people had no faith in his discovery, and after losing a large fortune, he spent the last twenty-one years of his life in the asylum.

A Norwegian woman, dressed in homespun, brief and limp, who, only seven weeks from her native land, arrived at Milwaukee one day last week, was seen two hours after with a bran new hoop skirt under her arm, just entering a car for Minnesota. Forney, writing from England, says: "You would be astonished to find how Charles Sumner is admired here." Sidney Smith used to say: "If you examine a blue-bottled fly with a microscope, you will find its body covered with ugly little parasites, who believe their own particular fly the bluest, grandest, merriest in the universe." Sumner is Forney's blue-bottled fly.

In Norway and Sweden there is reported to be a perfect mania on the subject of emigration. All who can gather together a sufficient sum to pay their passages to America make a start. They go chiefly to Minnesota and other parts of the Northwest. The people of the United States will always welcome the poor and dissatisfied of other lands. There are millions of broad and fertile acres that need cultivation.

A young clerk, J. C. Loutee, of Greenfield, Ohio, who has long been suffering with a peculiar pain in his stomach, giddiness and dimness of vision, was relieved, a few days since, through the agency of a strong purgative, of a living snake seventeen and a half inches in length, and about three-fourths of an inch in diameter at the largest part of the body. He says in June, 1864, he remembers, while drinking from a brook, he swallowed something unusual, but paid no attention to it at the time.

READ the following letter from Richard L. Franklin, Esq., President of the York and New York Fire Insurance Co., New York, October 13th, 1866.

I take pleasure in certifying to the prompt payment by the Hartford Live Stock Insurance Company for the loss by sudden death, of a very valuable Cow on my farm at Riverdale, insured in that Company. This animal (in connection with my other stock) was insured in the Hartford Live Stock Insurance Company, on the 8th inst, and died on the third day thereafter from a violent inflammatory attack, though apparently well the day previous. I received a draft for the amount from the Company without any discount, by the next mail after forwarding information of the loss. I cheerfully recommend the Hartford Live Stock Insurance Company, and would advise owners of live stock to insure therein, for my own experience demonstrates most conclusively that "delays are dangerous."

RICHARD L. FRANKLIN.

THE LATEST AND BEST NEWS is that R. H. Singer, who, upon his entrance into our town, reduced the price of horse-shoeing one-third, has determined still to lead the van, and offers to work 10 per cent. lower than the lowest for cash, and insures satisfaction. Persons needing tire on their wagons or carriages, can save dollars by giving him their work. "A dollar saved is a dollar gained," and the way to save many of them is to get your blacksmithing done with Mr. Singer, at the west end of town. Mr. S. is also selling I. C. Singer's unequalled Tire and Band Bender—a machine which saves a great amount of time and labor and bends the Tire round and true—of which Wm. Myers, of Altoona, says he would not take \$100 and do without. Any amount of testimony just like that can be shown, but the machine is its own best recommendation to a mechanic. Persons wishing to purchase should call on or address R. H. SINGER, Edensburg, Territory for sale. For terms address I. C. SINGER, Box 85, Altoona, Pa.
