NEW ADVERTISEMENTS.

The new system of Advertising adopted by Geo. P. Rowell & Co., Advertising Agents, No. 40 Park Row, New York, is attracting a good deal of attention.

The following extract from a speech delivered before the N. Y. State Editorial Convention, (lately held at Penn Yan.) by a prominent Advertising Agent of N. Y. city, goes to show that he at least acknowledges its advantages.

"Mr. Pettengill spoke in opposition to that plan from the publishers' stand point alone. He showed the publishers that by this system of contracting they were giving lower rates than they gave their own home customers or others equally as prompt and good customers."

The anxiety on account of the newspapers is uncalculated. There is not one in twenty which would not prefer to receive all their foreign patronage on this plan...

Have you seen the "PENN LETTER BOOK," for copying letters without the use of either press or water? It saves time, labor, and the expense of a copying press.

A few more good Agents wanted for Geo. P. Rowell & Co.'s "HISTORY OF THE SECRET SERVICE." Increased commission allowed and greater inducements offered.
