

Dying Declarations of the Murdered Fenians.

The Irishman (Dublin) has published "Dying Declarations of the Manchester Victims." The Irishman, in giving these "declarations," says: "It has been stated in the English papers that the three victims at Manchester left written declarations in the hands of their confessors. These did not think prudent to give them publication, just as they persuaded them from speaking on the scaffold. We, however, see no reason why these documents, copies of which we have been forwarded, should be withheld from the public, more especially as they are worthy of the occasion, and contain grave admonition to the courts of justice."

DECLARATION OF WILLIAM PHILIP ALLEN. "I wish to say a few words relative to the charge for which I am to die. In a few hours more I will be going before my God. I state in the presence of the great God that I am not the man who shot Sergeant Brett. If that man's wife is alive, never let her think that I am the person who deprived her of a husband; if his family is alive, let them never think I am the man who deprived them of their father. I confess I have committed other sins against my God, and I hope He will accept my death as an homage and atonement for my past transgressions against Him." Further on he adds: "But then I ought not to complain. Was not our Savior sold for money, and his life snatched away by false witnesses?"

DECLARATION OF MICHAEL LARKIN. "Men of the world—I, as a dying man, going before my God, solemnly declare I never fired a shot in all my life, much less the day the attack was made on the van, nor did I ever put a hand to the van. The world will remember the widow's son's life that was sworn away, by which he leaves a wife and four children to mourn his loss. I am not dying for shooting Brett, but for mentioning Colonel Kelly's and Deasy's names in the court. I am dying a patriot, for God and my country, and Larkin will be remembered in time to come by the sons and daughters of Erin."

DECLARATION OF MICHAEL O'BRIEN. I have only to make these few remarks: I did not use a firearm or throw stones on the day that Colonel Kelly and Captain Deasy were so gallantly rescued. I was not present when the van was attacked. I say this not by way of reproach, or to give annoyance to any persons, but I say it in the hope that witnesses may be more particular when identifying, and that juries may look more closely to the character of the witnesses, and to their evidence, before they convict a person to send him before his God. I trust that those who swore to seeing me with a revolver, or throwing stones, were nothing more than mistaken. I forgive them from my heart, and, likewise, I forgive all who have ever done me or intended to do me an injury. I know I have been guilty of many sins against my God; in satisfaction for those sins I have tried to do what little penance I could, and having received the sacraments of the Church, I have humbly begged that He would accept of my sufferings and death, to be united to the sufferings and death of His innocent Son, through whom my sufferings can be rendered acceptable.

FACTIOUS IDEAL TALK.—Domestic cannibals—Buckbiters. Dying prayer of a dog—guide my bark. Of what trade is the sun?—a tanner. Affairs of diploma-cy—Agricultural fairs.

A new way to pay old debts—Settle them. Of course the language of the grave is dead silence. Castles in the air have for their timbers moon-beams. Hope—The wag of Pluto's tail when waiting for his bone.

At what season did Eve eat the apple?—Early in the "fall." Did the people use umbrellas during the meteoric shower? A dentist is not necessarily mad because he shows his teeth.

The worst organ grinder—a hollow tooth that plays the deuce. Why is love like a cannon boat?—Because it is an internal transport. What class of women are most apt to give tone to society?—the belles.

Why is the letter D like a squalling child?—Because it makes a man mad. The young man who was lost in slumber found his way out on a nightmare. The young lady who took the gentleman's fancy has returned it with thanks. No man has yet been able to ride a clothes horse with the "spur of the moment."

"Matchless misery" has been defined to be to have a cigar and nothing to light it with. It is said that the "census embraces seventeen millions of women." Who wouldn't be census? "Sonny, dear, you have a very dirty face." "Can't help it, marn, dad's a black republican."

A FACT FOR FARMERS.—It may not be generally known that the seed of the sunflower is the most infallible remedy yet discovered for the speedy cure of founder in horses. The directions which we glean from a brief article upon that subject in the Essex Banner says: "Immediately on discovering that your horse is foundered, mix about a pint of the whole seed in his food, and it will perfect a cure."

GREEN RYE FOR SHEEP.—The Prairie Farmer gives the successful management of a farmer in Central Illinois. He sows rye among his corn at the last dressing, which gives at the time of the gathering a fine growth of green feed. After husking, the sheep are then turned into the fields, and remain there all winter, being housed and fed on hay in stormy weather only. Sheep being light, do not injure the land by poaching.

MEDICAL PREPARATIONS.

POLAND'S Magic Bilious Powders. This Preparation is the discovery of Rev. J. W. POLAND, formerly Pastor of the Baptist Church in Goffstown, N. H.—a man dearly beloved by that denomination throughout N. England. He was obliged to leave the pulpit and study medicine to save his own life, and his Magic POWDERS are one of the most wonderful discoveries of modern times. It is the GREAT LIVER and BILIOUS REMEDY, which completely throws in the shade all other discoveries in medicine; and it affords him much gratification that they receive the unanimous approbation of all who have tested them. The Magic Bilious Powders are a POSITIVE CURE FOR LIVER COMPLAINT in its most aggravated form, and an immediate corrector of all BILIOUS DERANGEMENTS. Excellent for Headache, Constipation, Pimples, Blotches, Sallow Skin, Drowsiness, Dizziness, Palpitation, Heartburn, and a most wonderful Cure and Preventative of Fever & Ague.

(We advise all who are troubled with this fearful malady to always keep the Powders on hand ready for immediate use.) Here are a few important particulars:—1st. They are the great specific for Bilious Affections. 2d. They are the only known remedies that will cure Liver Complaint. 3d. They are the only known remedy that will cure Constipation. 4th. The Powders are so thorough in their operation that they will cure a mild and pleasant yet the most effectual cathartic known. 5th. They are the cheapest and best medicine extant, as they can be sent by mail to any part of the globe for the price, 50 cents.

COE'S DYSPEPSIA CURE!! This great remedy for all DISEASES OF THE STOMACH is the discovery of the inventor, of Coe's valuable Cough Balsam, while experimenting for his own health. It cured Cramp in the Stomach for him which had been yielded to nothing but choliform. The almost daily testimony from various parts of the country encourage us to believe there is no disease caused by a disordered stomach it will not speedily cure. Physicians endorse and use it. Ministers give testimony of its efficacy; and from all directions we receive tidings of cures performed.

Dyspepsia is it sure to cure. Heartburn out, it will cure. Sick Headache it has cured in hundreds of cases. Headache and Dizziness it stops in thirty minutes. Acidity of the Food it stops immediately. Distress after Eating one dose will remove. Cholera Morbus rapidly yields to a few doses. Bad Breath will be changed with half a bottle.

It is PERFECTLY HARMLESS! Its unprecedented success is owing to the fact that it cures by assisting Nature to reassert her sway in the system.

Nearly every dealer in the United States sells it at ONE DOLLAR PER BOTTLE. C. G. CLARK & CO., Proprietors, March 14—cowly. New Haven, Conn.
