JOHN WANAMAKER'S.

THE HOLIDAYS AT JOHN WANAMAKER'S,

CHESTNUT, THIRTEENTH AND MARKET STREETS,

AND CITY HALL SQUARE, PHILADELPHIA.

THE HOLIDAYS.
There is nowhere in Philadelphia so varied a collection of gifts as early and the best, as at John Wanamaker's. There is an even of gifts. Our collection is large enough and rich enough, one would suppose, even for a less frugal city than Philadelphia. These goods are now at the height of their glory. The choicest of them are here, others will come of course; but the choicest are going.
What is equally to the purpose, buyers are now about as they can be comfortably served, and the throng will be denser every day till Christmas.

TOILET FURNISHING.
Baskets, tins, lamp-shades, pin-cushions, boxes, in satin and plush, embroidered and painted.
JOHN WANAMAKER.
First circle, southwest from the centre.

LAZERS.
A dress suit with Point medallions, \$50; the same may be seen elsewhere at \$70.
JOHN WANAMAKER.
Ninth counters, southwest from the centre.

CLOAKS.
\$1.25 to \$150.00, all guaranteed.
JOHN WANAMAKER.
City Hall square entrance.

TOYS.
New room, new toys.
JOHN WANAMAKER.
Outer circle, west of the Chestnut street entrance.

BOOKS.
A catalogue of books may be had at the book counter. We want every reader to have it. The list of titles is in detail, and is especially complete.
JOHN WANAMAKER.
Second counter, northeast from the centre.

LADIES' ULSTERS.
There are two general styles, one closed at the back, the other open; the latter is known as a "manchurian" style. In detail of trimming there is great variety though there is also marked simplicity. Great variety in cloths too, \$50 to \$85.
Cloaks, foreign and home-made. Our collection is unprecedented, whether you regard variety, quantity or value. A lady who buys a cloak of any sort in Philadelphia without looking these over, is in the same position as a man who buys a suit of clothes without looking at the goods.
JOHN WANAMAKER.
Southeast corner of the building.

MISSIE'S COATS.
Missie's coats in more than 70 cloths, shapes and decoration beyond counting, \$10 to \$15.
Habitues in 15 cloths, ulsters in 8 cloths and hawkeries in 10 cloths. Sizes 6 to 16.
JOHN WANAMAKER.
Southwest corner of the building.

UNDERWEAR AND HOSIERY.
We have the best goods the world affords, and the next best, and the next, and so on. There is no place anywhere, where you can see so large a collection of the different grades of goods, all passing for what they are, and all nothing for what they are not.
JOHN WANAMAKER.
Next outer circle, southwest from the centre.

EMBROIDERIES.
New Embroideries are already in. Our stock is now in the condition you expect to find it in at New Year's, i. e. the spring novelties are here.
JOHN WANAMAKER.
Third circle, southwest from the centre.

CARPETS.
The choicest in luxurious carpets; the most substantial; the lowest prices; punctual service.
JOHN WANAMAKER.
Market street front, up stairs.

SILKS.
Evening silks in the Arcade, east side. The same and many other patterns are in. The variety is very great.
JOHN WANAMAKER.
Next outer circle, southwest from the centre.

EMBROIDERIES.
Our next spring's novelties in embroidery are just now received; they usually come at New Year's.
JOHN WANAMAKER.
Next outer circle, southwest from the centre.

LACES.
Laces always ready. Our sales are large, our variety always large, and but little of any one sort. Compare prices. A quarter below the market is not uncommon.
JOHN WANAMAKER.

WRAPS, &c.
Such a stock of foreign cloths as Philadelphia has not before seen, \$10 to \$250; shawls new by dress up styles.
JOHN WANAMAKER.
Southeast corner of the building.

FURS.
Furs of all sorts are going fast. They went fast last year and advanced in price as the season advanced. They are now going fast, and will not raise price till we have to buy. Expect to find here whatever you want, from a bit of trimming up.

COATS AND ULSTERS FOR CHILDREN.
No so great variety as for ladies; but much larger than any other store.
JOHN WANAMAKER.
Southeast corner of the building.

BOYS' CLOTHING.
Our trade is just what it ought to be for the facilities and advantages we enjoy.
